Introduction to No-Knead Turbo Rolls (Ready to Bake in 2-1/2 Hours... and Mother Nature Will Shape the Rolls for You!) Steve Gamelin,2014-10-06 The Turbo method is a fresh approach to making no knead bread and rolls that provides you with an option No knead Turbo bread was designed for those who want to make no knead bread but don t want to wait 8 to 24 hours Those who want bread machine bread but don t want to buy and store a bread machine It s for those of you who want a fast reliable way to make fresh from the oven bread without the hustle of expensive machines Dutch ovens or kneading The advantages are 1 Shorter time bread is ready to bake in less than 2 1 2 hours 2 No kneading Mother Nature does the kneading for you 3 No yeast proofing instant yeast doesn t require proofing 4

No special equipment no mixer no bread machine the entire process is done in a glass bowl with a spoon and a spatula and can be baked in a wide variety of baking vessels standard bread pan uncovered baker skillet preheated Dutch oven etc 5 Only uses 4 basic ingredients flour salt yeast and water to which other ingredients can be added to make a variety of specialty breads 6 Hands free technique uses the handle end of a plastic spoon to manipulate the dough like a dough hook which allows the dough to go straight from the mixing bowl to the baking vessel bread pan etc without dusting the work surface with flour or touching the dough 7 And roll to coat is an innovative process that coats the dough ball with flour in the bowl no more sticky dough When the dough comes out of the bowl it will be easy to handle if you want to divide or shape the dough to make baguettes or rolls Some have said no knead Turbo bread is bread machine bread without the bread machine I like to think of it as a way for the average family to have fresh from the oven bread in the convenience of their homes without special equipment or any hassles Now don't get me wrong I love the standard no knead method for making rolls but here are times when I need bread in less time and I can have Turbo Rolls ready for the oven in less than 2 1 2 hours Thanks
