closed-door fraternity such as law enforcement will not be an easy task. The committee must

have representatives within the established culture who will help set the ethical tone as well as

reinforce the message and spirit of the curriculum proposal (Koepsell, 2006).

The proposal committee must have representatives from the Black Law Enforcement

Association, Irish Brotherhood of the Badge, as well as active members of the Hispanic Bar

association. These organizations represent a large portion of the working ethnic groups within

the criminal justice system. Having key allies who will communicate the proposal changes to

their members is critical for success of this project (Mallory & Thomas, 2003).
