Paper Writing Service Scams:

The Shadow Scholar Dave Tomar,2012-09-18 A sobering full length account based on the author s article in The Chronicle of Higher Education explains how his former employers sell legal high priced study guides that students can readily access and adapt for college assignments discussing how the practice reveals unsettling realities about the bureaucracy of higher learning

Framing Ethics and Plagiarism in Medical Research Writing and Publishing Girolamo Tessuto,Michele Caraglia,2024-01-15 As scientific knowledge is continually refreshed by new experiments and theoretical insights and openly communicated to the medical community upholding the academic integrity of scientific publishing is a key ethical issue in medical research Academic integrity does not just involve commitment to a moral code or ethical policy it is also about adherence to a set of values that avoid plagiarism and support trustworthy fair and honest behaviour in medical research and publishing thus ensuring that knowledge dissemination proceeds unhampered However plagiarism is often framed in narrow judgmental terms that leave little room for doctors and researchers to understand its complexities and consequences made all the more complicated by the increasing use of the internet as a research space This book provides an extensive exploration of ethics and plagiarism helping its readership to understand how and to what extent the language and text processing components of medical discourse can and should be scrutinized across the genres that matter to scientific medical research writing practices and publishing

Papers for Pay Jeffrey Alfred Ruth,2015-02-13 A disturbing trend faces education in the U S not plagiarism but academic forgery students purchasing and signing their names to work produced by others This book by a former professional forger describes the difference between the two and presents case studies along with an expose of the trade The author provides a thorough treatment of the topic and reveals the serious implications for the future of academia Educators should educate themselves about forgery and join the conversation about solving the problem

How to Write a Good Dissertation A guide for University Undergraduate Students LornaMarie,2018-05-28 How to Write a Good Dissertation A Guide for University Undergraduate Students is an essential reference guide for university undergraduate student and anyone who wishes to write at professional level Every undergraduate student will at some point be required to write a dissertation project a portfolio or thesis This could be daunting and having gone through that experience myself I thought a book like this would be helpful to students around the world I have tried to keep it concise succinct and as brief as much as possible the last thing a student need is reading a lengthy guide on how to write their onerous project Most of the chapters cover topics every student will find useful regardless of their course of study This book covers essential policies guidelines and procedures set out in the code of practice for writing projects in most reputable universities around the world
