People Of Walmart Shop And Awe:

People of Walmart Andrew Kipple, Adam Kipple, Luke Wherry, 2010-09-01 Tons of New Photos Bad Decisions WTF Moments Plus Fan Stories Celebrities Goats As Americans we hold these truths to be self evident We will shop And when we do especially at our favorite supercenter we will wear and do the most bizarre things possible From the wildly popular website PeopleofWalmart.com this photo collection of Americans in their natural shopping habitat 70 percent of which is brand new and never before included on the website presents people of all shapes and sizes wearing and doing everything imaginable in full view of their fellow shopping public Plus for the first time brand new fan submitted stories offer the most random experiences you can imagine So welcome to a world where no shoes and no shirt are no obstacles where parking lots are filled with dead deer Bengal tigers and old men in thongs riding bikes Once you meet the People of Walmart you are sure to fall in love

The World of Wal-Mart Nicholas Copeland, Christine Labuski, 2013 This book demonstrates the usefulness of anthropological concepts by taking a critical look at Wal Mart and the American Dream Rather than singling Wal Mart out for criticism the authors treat it as a product of a socio political order that it also helps to shape The book attributes Wal Mart's success to the failure of American and global society to make the Dream available to everyone It shows how decades of neoliberal economic policies have exposed contradictions at the heart of the Dream creating an opening for Wal Mart The company's success has generated a host of negative externalities however fueling popular ambivalence and organized opposition The book also describes the strategies that Wal Mart uses to maintain legitimacy fend off unions enter new markets and cultivate an aura of benevolence and ordinariness despite these externalities It focuses on Wal Mart's efforts to forge symbolic and affective inclusion and their self promotion as a free market solution to social problems of poverty inequality and environmental destruction Finally the book contrasts the conceptions of freedom and human rights that underlie Wal Mart's business model to the alternative visions of freedom forwarded by their critics 2020 People of Walmart Boxed Calendar Adam Kipple, 2019 2021 People of Walmart Boxed Calendar Adam Kipple, 2020 **2019**

People of Walmart Boxed Calendar Adam Kipple, 2018 **Crimes of the Powerful** Dawn Rothe, David Kauzlarich, 2016-03-31 As politicians and the media perpetuate the stereotype of the common criminal crimes committed by the powerful remain for the most part invisible or are reframed as a bad decision or a rare mistake This is a topic that remains marginalized within the field of criminology and criminal justice yet crimes of the powerful cause more harm perpetuate more inequalities and result in more victimization than street crimes Crimes of the Powerful An introduction is the first textbook to bring together and show the symbiotic relationships between the related fields of state crime white collar crime corporate crime financial crime organized crime and environmental crime Dawn L Rothe and David Kauzlarich introduce the many types of crimes methodological issues associated with research theoretical relevance and issues surrounding regulations and social controls for crimes of the powerful Themes covered include media culture and the

Hollywoodization of crimes of the powerful theoretical understanding and the study of the crimes of the powerful a typology of crimes of the powerful with examples and case studies victims of the crimes of the powerful the regulation and resistance of elite crime An ideal introductory text for both undergraduate and postgraduate students taking modules on the crimes of the powerful white collar crime state crime and green criminology this text includes chapter summaries activities and discussion questions and lists of additional resources including films websites and additional readings

A Global History of the Developing World Christopher White, 2013-10-15 A Global History of the Developing World takes a sweeping look at the historical foundations of the problems of developing world society Encompassing Asia Latin America and Africa the book centralizes the struggle for self determination in an attempt to understand how the current nation states have been formed and what their future may hold Although concentrating on the modern era its scope is broad it covers geography ancient and modern history economics politics and recent events The book features twelve chapters organized into 4 thematic units each containing one chapter on each of the three continents These units cover different commonly experienced phenomena among the peoples of the Developing World imperialism nationalism globalization and development The first three are chronological while the last surveys and analyzes the scholarly debates over the causes of development and underdevelopment Through these chapters Christopher M White presents a wide ranging study of the major themes in studies of the developing world including slavery imperialism religion free and fair trade democratization and economic development Including detailed profiles of key figures as well as maps and illustrations A Global History of the Developing World vividly illustrates the culture personalities and histories of a key subject area A perfect introduction for all students interested in the developing world in a historical context

Why Do the Heathen Rage? Ayodeji Awe, 2020-10-06 Why do the Heathen Rage is a perplexity that presents a melting pot of the supernatural and the natural Regarding this monumental collision of Donald Trump and the Left the celestial teleprompter displays the central insight that whenever the son of man sights the serpent he goes after its head while the serpent in return pursues his heels It s a dog fight The God factor in Trump coupled with the imposing octagonal causation of hatred no doubt conspicuously prime timed him for which the Heathen the cartel of the Democrats and the Liberal Mainstream Press could not resist going after him like in a mad vengeance But God is unequivocally committed to His own agenda for which Trump is a major character He therefore zeroes his eyes on the detractors calls them out for their atrocities warns them to repent and possibly fall in line He further embraces the supporters encouraging them to keep the faith stand tall and kneel only to Almighty God They must keep up with support of the President and return him to the White House in November 2020 that the good works in progress may continue Finally He prophesies an assurance to America as a nation that He will not renege on his covenant with the Pilgrim forefathers Ultimately Coronovirus wears off the experiential peace of God returns ushering in normalcy while America remains an icon and a place most coveted and sought on earth

Ecological Law in Practice Geoffrey Garver, 2024-10-21 This book

presents a series of ecological law case studies designed to illustrate in concrete real world ways how ecological law would transform law in a range of diverse contexts Ecological law is an emerging and currently mostly theoretical discipline grounded in the need to shift away from anthropocentric legal systems which aim to promote economic growth using strong protections of private property regimes and state sovereignty to ecological approaches which emphasize ecocentrism the primacy of ecological limits and intragenerational intergenerational and interspecies fairness and justice The ecological law case studies presented in this book apply the theoretical principles and concepts of ecological law to diverse real world situations or activities in several countries and contexts Taking up a range of examples from Brazil Canada Germany Mexico Nigeria the United States and internationally the book demonstrates the concrete relevance of ecological law to contemporary sustainability challenges as it reveals pathways for overcoming real world challenges in the implementation and public acceptance of ecological law This book will appeal to researchers scholars and policy makers working in the area of environmental law and governance as well as others with relevant interests in sociolegal studies human geography political science and environmental studies

Ecopiety Sarah McFarland Taylor,2019-11-12 Tackles a human problem we all share the fate of the earth and our role in its future Confident that your personal good deeds of environmental virtue will save the earth The stories we encounter about the environment in popular culture too often promote an imagined moral economy assuring us that tiny acts of voluntary personal piety such as recycling a coffee cup or purchasing green consumer items can offset our destructive habits No need to make any fundamental structural changes The trick is simply for the consumer to buy the right things and shop our way to a greener future It s time for a reality check Ecopiety offers an absorbing examination of the intersections of environmental sensibilities contemporary expressions of piety and devotion and American popular culture Ranging from portrayals of environmental sin and virtue such as the eco pious depiction of Christian Grey in Fifty Shades of Grey to the green capitalism found in the world of mobile device carbon sin tracking software applications to the socially conscious vegetarian vampires in True Blood the volume illuminates the work pop culture performs as both a mirror and an engine for the greening of American spiritual and ethical commitments Taylor makes the case that it is not through a framework of grim duty or obligation but through one of play and delight that we may move environmental ideals into substantive action

We Are Walmart Pace Communications,Walmart,2013-12-06 We Are Walmart is a collection of short stories about the lives of Walmart associates Stories document opportunities gained through working at Walmart as well as inspiring moments of altruism compassion and heroism The book brings to life the people who power the world s largest retailer

Fly on the Walmart Kristin Mango,2013-02 A man who crapped his pants an old lady who whacked an employee a redneck arrest and more are all in one place in this book Fly on the Walmart Confessions of a Young Walmart Greeter contains numerous stories of the crazy and hilarious things Walmart customers do This book is not affiliated with the company of Walmart So many other books talk about the company and the boring fiscal details The customers and their antics are so much more interesting and they are what this book talks about Their real antics are revealed through the eyes of a young woman who saw these people every day as an employee and a fellow customer

The Story of Wal-Mart Sara Gilbert,2011 A look at the origins leaders growth and operations of Wal Mart the discount retailing company whose first store opened in 1962 and which today is one of the largest corporations in the world Provided by publisher
