Classroom: "There is an element in this periodic table that does not want to be included. Actually, this element is 'hiding out.' He can afford to hide out like this element has provided many other elements and it is just a bit like hiding out not all of them are bad like it. However, I am concerned he may be hiding out in hiding, not being found, and if these other elements and compounds can see it at all. Therefore, providing the periodic table for a while until he is found will ultimately help to find this element. This element was 'hiding out' and now we can see it, it is not hidden, he just hid out. Now, the, if you could put some information in it is all afford all these and information that follows there something and perhaps for the group."
