Permission To Rage The On How To Complain Effectively:

Permission to Grieve Toby D. Castle, 2024-07-22 Being a follower of Jesus in the evangelical community in America is equated to a posture practice and pursuit of triumphalism Followers of Jesus have misunderstood maybe even lost the great value of public and private lament Lament is incongruent with a theology of continual and ongoing triumphalism Yet suffering loss and lament permeate Scripture and the human experience To lament is to cry out to God with our doubts and to bring complaints against God It is a posture and practice of worship and surrender that helps followers of Jesus wrestle engage process and understand loss creating a sacred space for the suffering voice to speak Lament is a practice absent in the church that is recognized and understood as a way of naming grief and suffering of standing and hoping in the midst of ruins In the context of San Francisco the practice and theology of lament in the lives of those who follow Jesus becomes a parody of cultured syllogisms and hyper vanquishing that forms a community frail to moments of liminality anxious in seasons of uncertainty and ill equipped to deal with the obscurities of everyday life
