The Abrahamic Christian Tithing: Workbook Dr. Samuel Kirk Mills,2012-08-22

This is your companion workbook to your study book titled *The Abrahamic Christian Tithing A Study book for the Church*. The study delves into the cause of Abraham's tithing to Melchizedek in order to indicate the fundamental spiritual benefits of Christian tithing to every individual member of a local church and its overall importance to the Church of Christ in general. The study establishes the following lessons concerning the tithing of Abraham: God had planned that Abraham will tithe before the creation of the universe. As the father of the Christian faith, God had worked in Abraham to tithe to Melchizedek to establish it as a unique type of giving by the church to the High Priestly Ministry of Christ. Affirming the fact that Abraham did not know and was not relating to God's personal nature when he was initially brought to Canaan, the study also establishes the following lessons: The tithing of Abraham was an indicator of God's work in him for the patriarch to know and to relate to His personal nature. In working in Abraham to tithe as an act of knowing and relating to Him personally, God was also establishing the fundamental principle of Christian tithing—that it will be by the principle of knowing and relating to God personally. Thus, the study benchmarks the spiritual growth that occurred in the life of Abraham following his tithing as the fundamental benefit of the practice of Christian tithing to the individual members of a local church. It shows us that Christian tithing is essentially a standardized way of giving by divine establishment that the church would utilize to cultivate personal relationship with God with the goal of growth in trust, love, and holiness to God. With its unique perspective concerning the tithing of Abraham, the study comprehensively brings out unexplored spiritual benefits that God had ordained in the patriarch for the Church of Christ through tithing.

Mapping Out Curriculum in Your Church James R. Estep, M. Roger White, Karen L. Estep, 2012-06-01. This new book from top Christian education professionals integrates biblical foundations, educational theory, and practical insights into a new curriculum formation approach for the local church. Uniquely identifying curriculum as a means of ministry through the metaphor of mapmaking, it shows how believers are lost along the spiritual journey without a study plan having no clear destination or reliable path to follow toward maturity. Detailing the theological, educational, and pastoral dimensions that make a curriculum Christian, the text is arranged into four sections: 1. rationale for curriculum, 2. curricular foundations, 3. curricular theory, and 4. the practice of curriculum. Covering areas from children's ministry to adult education, contributors include editors James R. Estep, Karen L. Estep, and Roger White, as well as Holly Allen, Mark H. Senter III, Michael S. Wilder, Timothy Paul Jones, and Brett Robbe.
