 Gasperini, 2016-10-27 This book explores Victorian readers consumption of a wide array of reading matter Established
 scholars and emerging researchers examine nineteenth century audience encounters with print culture material such as
 periodicals books in series cheap serials and broadside ballads Two key strands of enquiry run through the volume First
 these studies of historical readership during the Victorian period look to recover the motivations or desired returns that
 underpinned these audiences engagement with this reading matter Second contributors investigate how nineteenth century
 reading and consumption of print was framed and or shaped by contemporaneous engagement with content disseminated in
 other media like advertising the stage exhibitions and oral culture *Bulletin* Boston Public Library, 1875 Quarterly
