Second Coming Redemption Crux 1:

1 & 2 Peter and Jude MacArthur New Testament Commentary Set John MacArthur, 2005-10-01 This package includes the complete two volume set of 1 Peter and 2 Peter Jude from the MacArthur New Testament Commentary series The MacArthur New Testament Commentary series continues to be one of today's top selling commentary series These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways In 1 Peter MacArthur demonstrates how this letter written to persecuted believers scattered throughout Asia Minor speaks to faithful Christians suffering today Even when believers face trials and adversity they can rest in their salvation live out their testimony and look forward to Jesus return In 2 Peter Jude both letters address the need to combat false teaching and to strengthen believers in the truth In a day when sound doctrine is devalued MacArthur's analysis of these warnings has never been more needed **Letters from**

Prison, Part Two Vincent Smiles, 2019-10-07 Letters from Prison Part Two provides an in depth investigation of Paul's letters to the Colossians and Ephesians two letters with a great deal in common Besides being written from prison both letters address Gentile communities learning to live faithful Christian lives Exploring themes such as God's eternal plan the unity of the church and the fullness of life in Christ these letters offer a sweeping and still relevant vision of faith in Christ and the church as his body **Faith and the Philosophy of History** Martin Wight, 2025-02-25 This book collects works by

the late Professor Martin Wight 1913 1972 an historian and scholar of international relations Wight conducted research on many topics including British colonial history European studies international institutions and the history of states systems He is nonetheless best known for his lectures about the political philosophy of international relations at the London School of Economics 1949 1961 and the University of Sussex 1961 1972 He is widely regarded as an intellectual ancestor and pathbreaker of the English School of international relations even though this term only gained currency nine years after his death While there is no generally accepted definition of the English School it is usually construed as signifying an approach to the study of international relations more rooted in historical and humanistic learning than in the social sciences Wight's achievements are consistent with this broad definition This volume draws together a number of Wight's published works as well as many of his previously unpublished obscurely published and anonymous writings about faith and the philosophy of history Owing to his premature death at the age of 58 he was unable to complete several works in progress partly because his perfectionism led him to refrain from publishing many of them **A World of Difference (Reasons to Believe)**

Kenneth Richard Samples, 2007-09-01 Recent Barna research indicates that less than one in ten evangelical Christians hold a biblical worldview A World of Difference seeks to change this disturbing fact by educating readers on how the Christian perspective is uniquely reasonable verifiable and liveable Author Kenneth Richard Samples faced a profound test of his own belief system during a personal life and death crisis In A World of Difference he uses nine distinct tests to compare the

Christian worldview with current religious and philosophical competitors including Islam postmodernism naturalism and pantheistic monism Samples tackles tough issues through this in depth study of Christianity s history creed and philosophical basis An excellent resource for readers who want their view of life and the world to make sense **The Redemption of Chivalry** Pauline Maud Matarasso,1979 **2 Peter and Jude MacArthur New Testament Commentary** John MacArthur,2005-10-01 Second Peter and Jude are sometimes neglected as the dark corner of the New Testament But Christians avoid these two letters to their peril Both letters were written to expose false teachers and to strengthen believers in the truth In a day when sound doctrine is devalued their warning has never been more needed Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical **Biblical Theology According to the Apostles** Chris Bruno,Jared Compton,Kevin McFadden,2020-06-23 How did the apostles understand the Old Testament The New Testament s explicit summaries of the Old Testament story of Israel give readers direct access into the way the earliest Christians did biblical theology This NSBT volume examines the passages in the Synoptic Gospels Acts Paul s letters and Hebrews which recount the characters events and institutions of Israel s story *The Parousia of Jesus* James O. Ellithorpe,2015-11-17 Throughout the ages various celestial and non celestial phenomena have featured images portraying the nearness of the end of days or in the New Testament the Parousia which means the appearance of the second coming of Jesus Many of these images and concepts are often misunderstood or misapplied A primary purpose of this book is to correct the errant concepts believed to be true by many people because incorrect doctrine and teaching can have disastrous results Many people today believe we are living in tumultuous times However to set or fix a precise date for the return of Jesus is unbiblical This book will present a completely different view than what is commonly believed about the end times By blending the concepts of many schools of thought and outright challenging others the goal of this book is to help people understand the variety of views on the topic In short this book should be read first and then compared with what others are teaching and saying **Beyond Male and Female?** Sam Ashton,2023-09-21 In this incisive work Sam Ashton provides a compelling consistent and erudite argument for a foundational approach to the matter of sexual difference drawing on biblical and doctrinal material and using resources in their original languages He tracks and traces the sexed body as it moves from creation through the fall to redemption now and final consummation not yet In doing so Ashton presents what is perhaps the strongest case that can be made for male and female He created them Each chapter privileges biblical exegesis drawing upon figures in church history notably Augustine and Aquinas as and when they illumine Scripture By doing so the book considers the difficulty presented to sexual dimorphism by the phenomenon of intersex Ashton seeks to develop an understanding that is generous inclusive and affirming so he works carefully through the writings of Thatcher Song and Cornwall in a way that invites engagement and dialogue With the complete divine drama in view the book offers synthetic judgments about what remains essential for the structure of the sexed body as it travels through history and what may be

accidental to the sexed body's direction within a particular theo-dramatic act Ashton concludes by considering ways to transition from dogmatic judgments about intersexuality to the moral pastoral care of concrete intersex individuals briefly thinking about the complex matter of marriage

The London Corn Circular, 1929 *The MacArthur New Testament Commentary Set of 31 volumes* John F MacArthur, 2011-02-21 This set includes the entire collection of the MacArthur New Testament Commentary series Matthew 1-7 Matthew 8-15 Matthew 16-23 Matthew 24-28 Luke 1-5 Luke 6-10 Luke 11-17 Luke 18-24 John 1-11 John 12-21 Acts 1-12 Acts 13-28 Romans 1-8 Romans 9-16 1 Corinthians 2 Corinthians Galatians Ephesians Philippians Colossians Philemon 1-2 Thessalonians 1 Timothy 2 Timothy Titus Hebrews James 1 Peter 2 Peter Jude 1-3 John Revelation 1-11 and Revelation 12-22 The MacArthur New Testament Commentary series continues to be one of today's top-selling commentary series These commentaries from respected Bible scholar and preacher John MacArthur give a verse-by-verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways

The Idea of the Resurrection in the Ante-Nicene Period Calvin Klopp Staudt, 1909

The Letter to the Colossians Scot McKnight, 2018-02-26 The Letter to the Colossians offers a compelling vision of the Christian life its claims transcend religion and bring politics culture spirituality power ethnicity and more into play Delving deeply into the message of Colossians this exegetical and theological commentary by Scot McKnight will be welcomed by preachers teachers and students everywhere

The Finished Work of Christ (Paperback Edition) Francis A. Schaeffer, 1998-09-24 Augustine Luther Wesley These great leaders of the church all traced their spiritual awakenings to the book of Romans To this day Paul's letter continues to fascinate amaze and awaken those who seek to plumb its depths including one of the most influential Christian thinkers of the 20th century Francis Schaeffer In his landmark commentary on the first eight chapters of Romans Schaeffer expounds on the foundational doctrines that undergird the core of Christian teaching offering modern readers vital insights into the message of Romans and an arresting perspective on our own times Redesigned with a new cover

When Jews and Christians Meet Jakob Josef Petuchowski, 1988-01-01 When Jews and Christians Meet captures the present state of the Christian Jewish Dialogue in which it is taken for granted that good will has been established and that Christians and Jews have a great deal in common One can now appreciate the basic differences which remain between Judaism and Christianity without fear of giving offense With this assumption a number of Jewish and Christian scholars address several questions For example they ask what the future goals of Judaeo-Christian studies should be and how the ecumenical aspirations of leading Christian and Jewish theologians can be translated into practice on a level which can be appreciated by the men and women in the pews of synagogues and churches In addition to such theoretical considerations the volume offers illustrations of how Bible study can be undertaken in both the Hebrew Bible and the New Testament by Jewish and Christian scholars addressing passages hitherto considered controversial with both a commitment to objective scholarship and a rootedness in their respective religious traditions Jeremiah's prophecy about the New Covenant and some of the Apostle Paul's

statements about the Jews furnish the material for that joint enterprise Introducing Feminist Christologies Lisa Isherwood, 2002-03-01 This volume critically engages with the problems traditional Christology raises for feminist theology It also explores the creative engagements of feminist theologians with the person of Jesus Acts: Jimmy Swaggart Bible Commentary Jimmy Swaggart, 1996 ACTS BIBLE COMMENTARY After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures Yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God Adam's Astronomy Jane S. Poole, 2008-02-01 Long before Moses wrote Genesis the world's first astronomers invented star signs to illustrate a prophecy a God man would come to repair the breach between us and the Creator Those starry figures were pirated however and used to advance a false religion which spread all over the world Faithful men from Noah to the magi of the Christ child stood against that error yet the true star signs all but vanished for millennia Adam's Astronomy lays out the original signs introduces the linguist who recovered them and explains how she did it The last chapter describes many deep sky objects whose traits revealed by modern telescopes illustrate the ancient message of the constellations in which they are found **A Latin-English Dictionary for the Use of Junior Students ...** John Tahourdin White, 1895 William Blake and the Productions of Time Andrew M. Cooper, 2013 Challenging the idea that a writer's work reflects his experiences in time and place Cooper locates the action of William Blake's major illuminated books in the ahistorical present an impersonal spirit realm beyond the three dimensional self Historicist attempts to place Blake's vision in perspective Cooper argues involve a self contradictory denial of his performativity as a poet artist of multiple geometrical dimensions
