how many people there are in the world there is a different path for everyone I want you to come with me Please it s important Imagine if you will that it is possible for others to learn from you Some paths may be similar while other can be almost unexplainable Is it possible for your pet to teach you protect you and I mean even to the point of true values Let s just suppose that there is a greater good out there Let s say that if you open your heart your mind and perhaps your soul to the possibility that you find something that few have Let s also say that just because something bad or maybe to your dislike happens to you that you don t just throw it out but learn and grow from it like for example a parent s discipline to a child Compare this to that which is greater than you and to whom you could become For there is nothing covered that shall not be revealed neither hid that shall not be known Luke 12 2 The question we will seek to understand is Is it possible to have things like objects or animals or perhaps events placed on our path of life to help us or instruct us Perhaps a collie dog that was more than a pet The Word of God has ninety nine Bible passages that reflect that he would raise up the stones to praise him if the people would not Why not a collie dog Why not the teachings craftiness and senses of such Do you have a pet Can you learn from your pet Can you learn from your surroundings and those that cross your path for just a moment There are so many different things that we just take for granted We probably don t mean to but life just happens I have at many times taken the time to try a little harder to see things around me to try to listen a little better to have a calm temperament and the devotion that my dog Lady showed to me She obviously didn t raise me but I give her the credit for a lot of what I have become Now I personally believe she was placed by God in my life and that she was a glory to God Be kind to your pet
