what happened to Britain's extensive networks in Soviet Russia between the wars. It reveals for the first time how the playwright and MI6 agent Harley Granville Barker bribed the Daily News to keep Arthur Ransome in Russia and the real reason Paul Dukes returned there. It shows development of tradecraft and the great personal risk officers and their agents took far from home and unprotected in Salonika for example. Lieutenant Norman Dewhurst realised it was time to leave when he opened his door to find one of his agents hanging dismembered in a sack. This first part of Six takes us up to the eve of the conflict using hundreds of previously classified files and interviews with key players to show how one of the world's most secretive of secret agencies originated and developed into something like the MI6 we know today. *Groove: The Life*

Leader Guide Michael Adkins, 2015-12-15 The life of the Christian is marked by disciplines, practices and commitments that help shape the foundation of our faith. So how do we help youth encounter and choose to embrace some of these practices as they move into a faith that they claim as their own? The Life is a four-week study designed to help youth consider spiritual practices and what those practices can mean in their lives. Each week they will consider the practices of being committed to a church, family of prayer, of giving and of sharing their faith with others. The ideas and lessons are reinforced with exercises and daily devotions found in the Groove. The Life Student Journal designed to help them reflect and apply these disciplines in their own lives. The Groove Bible study series invites teens to learn the essentials of their faith, own their story and engage the world in serving Jesus. Each topical study consists of four weekly sessions that are easy to lead and relate to life issues teens face. With up to 48 weeks available, Groove is great for Sunday and mid-week gatherings for both large and small groups as well as retreats. The leader guide contains everything needed to lead teens through a Groove study including teaching outlines, leader notes, Bible background, reflections and parent communication. **The Routledge Handbook of**

The Binge Watchers Guide to the West Wing looks back at the classic television show 25 years later. Aaron Sorkin's political drama had an enormous influence on American politics. The show is a time capsule from the political moment after the Berlin Wall fell but before 9/11. This first book focuses on the first two seasons of the show, examining how the television show explains political issues, scandals, and vision. The West Wing was a show about political optimism, something that's hard to imagine now; it also influenced less optimistic political dramas, including Shonda Rhimes' *Scandal*, and even sitcoms including *Parks and Recreation*. The show is a political and cultural touchstone. The book gives a critical appraisal of many of the show's themes, including how its optimism and politics have held up over the years. *The Housewife Assassin's Antisocial Media Tips* Josie Brown, 2022-02-18 IN THE 21TH NOVEL OF THE HOUSEWIFE ASSASSIN SERIES Donna and Jack are ready for their close-ups as fake famous overnight sensations in order to expose who among several very popular social media influencers is passing U.S. state secrets to foreign agents. *The Pearl of Khorasan* C.
