and truths **America's Secret Jihad** Stuart Wexler,2015-07-19 The conventional narrative concerning religious terrorism inside the United States says that the first salvo occurred in 1993 with the first attack on the World Trade Center in New York City This narrative has motivated more than a decade of wars and re prioritized America s domestic security and law enforcement agenda But the conventional narrative is wrong A different group of jihadists exists within US borders This group has a long but hidden history is outside the purview of public officials and has an agenda as apocalyptic as anything Al Qaeda has to offer Radical sects of Christianity have inspired some of the most grotesque acts of violence in American history the 1963 Birmingham Church bombing that killed four young girls the Mississippi Burning murders of three civil rights workers in 1964 the assassination of Martin Luther King Jr in 1968 the Atlanta Child Murders in the late 1970s and the Oklahoma City Bombing in 1995 America s Secret Jihad uses these crimes to tell a story that has not been told before Expanding upon the author s ground breaking work on the Martin Luther King Jr murder and through the use of extensive documentation never before released interviews and a re interpretation of major events America s Secret Jihad paints a picture of Christian extremism and domestic terrorism as it has never before been portrayed *Department of Justice Oversight* United States. Congress. Senate. Committee on the Judiciary,2007 **Official Secrets and Oversight in the EU**

Vigilencia Abazi,2019-04-04 This monograph offers a uniquely comprehensive and in depth legal account of official secrets in the European Union It critically analyses their implications for oversight and fundamental rights Based on forty interviews with practitioners and other stakeholders it offers an understanding of the practices of official secrets and provides a critical and much needed perspective on how parliamentary judicial and administrative oversight institutions deal with access to classified material and the dilemma of oversight to concurrently ensure secrecy necessary for EU security policies and openness needed for democratic processes and fundamental rights The book discerns shifts in institutional practice of oversight at the European Parliament and the Court of Justice of the European Union that disproportionately favour secrecy and the protection of classified documents while creating serious limitations to open democratic deliberations and access to justice and delivers new insights on the EU s development as a security actor as well as its autonomy from Member States showing how rules on official secrets were a means for the EU to gain more autonomy in external security cooperation
