Hitler at Home Despina Stratigakos,2015-09-29 A look at Adolf Hitler's residences and their role in constructing and promoting the dictator's private persona both within Germany and abroad Adolf Hitler's makeover from rabble rouser to statesman coincided with a series of dramatic home renovations he undertook during the mid 1930s This provocative book exposes the dictator's preoccupation with his private persona which was shaped by the aesthetic and ideological management of his domestic architecture Hitler's bachelor life stirred rumors and the Nazi regime relied on the dictator's three dwellings the Old Chancellery in Berlin his apartment in Munich and the Berghof his mountain home on the Obersalzberg to foster the myth of the F hrer as a morally upstanding and refined man Author Despina Stratigakos also reveals the previously untold story of Hitler's interior designer Gerdy Troost through newly discovered archival sources At the height of the Third Reich media outlets around the world showcased Hitler's homes to audiences eager for behind the scenes stories After the war fascination with Hitler's domestic life continued as soldiers and journalists searched his dwellings for insights into his psychology The book's rich illustrations many previously unpublished offer readers a rare

glimpse into the decisions involved in the making of Hitler's homes and into the sheer power of the propaganda that influenced how the world saw him Inarguably the powder keg title of the year Mitchell Owen Architectural Digest A fascinating read which reminds us that in Nazi Germany the architectural and the political can never be disentangled Like his own confected image Hitler's buildings cannot be divorced from their odious political hinterland Roger Moorhouse Times

The Secret Passage Nina Bawden, 2011-12-15 Lonely and forlorn after their mother's death and their sudden arrival at Aunt Mabel's seaside boarding house John Mary and Ben Mallory are unimpressed with their new life in England But there are wonderful surprises in store for them when they discover a secret way into the grand and empty house next door Soon all sorts of unexpected events will unfold as the siblings encounter a whole host of eccentric characters and happenings Completed in 1963. The Secret Passage is Nina Bawden's first children's novel and was written especially for her own three children after they had discovered a secret passage in the cellar of their house. It beautifully reflects her own inquisitive nature as she herself has said I was a keyhole child fearsomely curious wedded to her subtly innovative ability to empathise with the child's view.
