Domestic Counter-Terrorism in a Global World Daniel Alati, 2017-07-14 Although both Canada and the United Kingdom had experienced terrorism prior to the attacks of 9 11 and already had in place extensive provisions to deal with terrorism the events of that day led to the enactment of new and expansive counter terrorism legislation being enacted in both jurisdictions This book explores these changes to counter terrorism laws and policies in the UK and Canada in order to demonstrate that

The Judiciary, the Legislature and the EU Internal Market Philip Syrpis,2012-05-03 By tracing the way in which the CJEU and national courts react to legislation and Treaty reform and the way in which the Member States Commission and other actors in the legislative process react to judicial interventions this collection of essays explores the nature of the dynamic relationship between courts and legislatures within the EU It is clear that the boundaries between the legal and political realms are contested and that the judiciary and the legislature are engaged in a struggle not so much about the substantive contours of the internal market project but rather about their relative institutional positions The contributors consider all aspects of the internal market project from goods to capital and citizenship examining areas where there has been significant Treaty change as well as those in which the Treaty framework has remained substantially unaltered *The Coherence of EU Free Movement Law* Niamh Nic Shuibhne,2013-08-29 Presenting a critical analysis of the Court of Justice s jurisprudence on EU free movement rights this book explains the drivers behind the fragmentation of internal market law It argues that the Court has a responsibility to articulate coherent framework principles applicable in national law but also requires greater
