Secured Credit Under English And American Law:

Secured Credit Under English and American Law Gerard McCormack, 2004-06-14 Secured Credit drives economic activity Under English Law it is possible to create security over almost any asset but the law is widely considered to be unsatisfactory for several reasons including a cumbersome registration system a preoccupation with formalistic distinctions and the lack of clear and rationally determined priority rules Gerard McCormack examines the current state of English law highlighting its weaknesses He uses Article 9 of the American Uniform Commercial Code as a reference point this Article has successfully serviced the world's largest economy for over 40 years and is increasingly used as the basis for legislation by Commonwealth jurisdictions including Canada and New Zealand The Law Commission has suggested the enactment of similar legislation in England In addition McCormack considers if there really is a case for the priority of secured credit as well as if there are other international models to draw upon Contains the text of Article 9 *Secured Credit Under English and American Law*, 2003 Under English Law it is possible to create security over almost any asset but the law is considered to be unsatisfactory McCormack examines the law in England highlighting its weaknesses He uses Article 9 of the American Uniform Commercial Code as a reference point Contains the text of Article 9 **Secured Credit in Europe** Teemu Juutilainen, 2018-03-22 Winner of the 2016 2018 KG Idman Prize This monograph seeks the optimal way to promote compatibility between systems of proprietary security rights in Europe focusing on security rights over tangible movables and receivables Based on comparative research it proposes how best to tackle cross border problems impeding trade and finance notably uncertainty of enforceability and unexpected loss of security rights It offers an extensive analysis of the academic literature of more recent years that has appeared in English German the Scandinavian languages and Finnish The author organises the concrete means of promoting compatibility into a centralised substantive approach a centralised conflicts approach a local conflicts approach and a local substantive approach The centralised approaches develop EU law and the local approaches Member State laws The substantive approaches unify or harmonise substantive law while the conflicts approaches rely on private international law The author proposes determining the optimal way to promote compatibility by objective based division of labour between the four approaches The objectives developed for that purpose are derived from the economic functions of security rights the conditions for legal evolution and a transnational conception of justice This book is an important contribution to the future of secured transactions law in Europe and more widely It will be of interest to academics policymakers and legal practitioners involved in this field *Secured Credit and the Harmonisation of Law* Gerard McCormack, 2011-01-01 This book will be of great interest to practitioners policymakers and academics as well as students particularly postgraduate students of law and business throughout the world **Availability of Credit and Secured Transactions in a Time of Crisis** N. Orkun Akseli, 2013-12-12 In the light of the financial crisis it has become clear that the globalisation of financial markets has not been matched by the globalisation of legal certainty relating to

financial transactions The ability to give security influences not only the cost of credit but also in some cases whether credit will be available at all Increasing the availability and lowering the cost of credit can make an important contribution to international and domestic economic development Assessing the international challenges posed by inefficient secured credit laws this book explores how these can be overcome to facilitate credit through legal reforms Leading authorities in the field address the key issues surrounding the availability of credit the role of banks in economic development and financial crises UNCITRAL's legislative efforts and international organisations and financial institutions and their involvement in the reform of secured transactions law

The Future of Secured Credit in Europe Horst Eidenmüller, Eva-Maria

Kieninger, 2012-07-12 This volume contains the reports and discussions presented at the conference The Future of Secured Credit in Europe in Munich from July 12th to July 14th 2007 It aims at taking the debate to a new stage by exploring the need and possible avenues for creating a European law of security interests The first part examines from an economic and a community law perspective the case for European lawmaking on secured credit and the legislative approach to be taken The intention in the second and third part is to look in more detail at the choices European lawmakers will have to make in devising a European law of secured credit The second part focuses on secured transactions involving corporeal movables tangibles whereas the third part considers categories of collateral that may require special rules

International Secured Transactions Law Orkun Akseli, 2011-03-17 This book focuses on international harmonisation and the law of secured transactions by distilling and analysing the unifying principles of various significant international conventions and instruments such as the UN Convention on the Assignment of Receivables the Unidroit Convention on International Factoring the EBRD Model Law on Secured Transactions the Unidroit Convention on the International Interests in Mobile Equipment and the UNCITRAL Legislative Guide on Secured Transactions International secured transactions conventions and instruments facilitate credit and promote economic activity through the creation of harmonised rules Therefore given the increasing globalisation of markets international reform efforts for the harmonised modernisation of secured transactions law have gained pace over recent years International Secured Transactions Law draws on experiences in both English and US laws in order to identify and illustrate the existing problems that need to be addressed as well as identify potential solutions International Secured Transactions Law will be of interest to scholars students interested in international commercial law corporate law or comparative secured transactions and practitioners involved in international commercial transactions

Personal property law in Nigeria Mike A.A. Ozekhome, 2019 This book addresses core issues of personal property law in Nigeria from a comparative perspective It offers a detailed account of the laws governing personal property and the different lightweight reforms undertaken mainly through case law before the enactment of the Secured Transactions in Movable Assets Act in 2017 The book draws insights from the United States UCC article 9 being unarguably the first law that introduced the concept of modern secured transactions law and was influential to many common and civilian law systems in

reforming their personal property laws Given that personal property law is fairly new in Nigeria and also in Africa in general the main aim of the book is to provide judges and academic researchers with a rich collection of tested solutions from jurisdictions that have experimented with modern secured transactions law for several decades The primary and secondary works that were referenced in the book have tracked the different epochal shifts in legal thinking and their significances This may assist scholars and judges in Nigeria to come up with bespoke interpretations of the Act and solutions to underlying problems on credit and security that will satisfy the local conditions as opposed to copying the unaltered solutions from the United States and other advanced systems

Secured Transactions Law Reform Louise Gullifer, Orkun Akseli, 2016-10-20 Secured transactions law has been subjected to a close scrutiny over the last two decades One of the main reasons for this is the importance of availability of credit and the consequent need to reform collateral laws in order to improve access to finance The ability to give security effectively influences not only the cost of credit but also in some cases whether credit will be available at all This requires rules that are transparent and readily accessible to non lawyers as well as rules that recognise the needs of small and medium sized enterprises This book critically engages with the challenges posed by inefficient secured credit laws It offers a comparative analysis of the reasons and the needs for a secured transactions law reform as well as discussion of

the steps taken in many common law civil law and mixed law jurisdictions The book written under the auspices of the Secured Transactions Law Reform Project informs the debate about reform and advances novel arguments written by world renowned experts that will build upon the existing literature and as such will be of interest to academics legal practitioners and the judiciary involved in secured transactions law around the world The text considers reform initiatives that have taken place up to the end of April 2016 It has not been possible to incorporate events since then into the discussion However notable developments include the banks decree passed by the Italian Government on 29th June 2016 and the adoption of the Model Law on Secured Transactions by UNCITRAL on 1st July 2016

Consumer Credit, Debt and Investment in Europe James Devenney, Mel Kenny, 2012-07-12 Produced under the auspices of an EU funded Marie Curie research programme this volume analyses vulnerability in European private law and scrutinises consumer protection in credit and investments in the context of the recent turmoil in financial markets and EU harmonisation initiatives in the area It explores key issues such as responsible lending the disclosure of information consumer confidence the regulation of consumer investment services and the protection of bank depositors The chapters emanate from the Consumer Protection in Europe Theory and Practice duo colloquium which explored consumer protection in Europe in its theoretical and practical dimensions These topics are even more relevant today given the passage of the Consumer Rights Directive the appointment of an Expert Group on a common frame of reference the Green Paper on European Contract Law and the ongoing deliberations surrounding the Common European Sales Law

The Law of Security and Title-Based Financing Michael Bridge, Louise Gullifer, Eva Lomnicka, 2024-10-23 Personal property security is an important subject in commercial practice as it is the key to much of the law of banking and sale This book examines traditional methods of securing debts such as mortgages charges and pledges as well as so called quasi security on property other than land describing how these are created how they must be registered or otherwise perfected if they are to be valid the rights and duties of the parties and how the security is enforced if the debt is not paid This fourth edition has been updated to incorporate recent political and legal developments including Brexit The Edinburgh Reforms which have followed the United Kingdom's exit from the European Union promise a thorough overhaul of the consumer credit regime The Retained EU Law Revocation and Reform Act 2023 potentially affects the interpretation of EU assimilated law including the Financial Collateral Arrangements No2 Regulations FCARs This edition further assesses the implications of the Business Contract Terms Assignment of Receivables Regulations 2018 taking pledges over electronic documents of title in the light of the Electronic Trade Documents Act 2023 the outlawing of ipso facto clauses by the Corporate Insolvency and Governance Act 2020 and the reduced scope of the EU Insolvency Regulation The treatment of insolvency matters within the framework of the Cape Town Convention is also considered as are recent cases on pledges of bills of lading when the carrier no longer has possession of the goods the distinction between fixed and floating charges equitable liens and the right of appropriation of financial collateral There is a

full discussion of the taking of security over digital assets and the relevance of the FCARs The only full length treatment covering both traditional security over personal property and also devices that fulfil a similar economic function such as retention of title and sales of receivables The Law of Security and Title Based Financing is a frequently cited and indispensable reference work both for practitioners and academics

The Top Books of the Year Secured Credit Under English And American Law The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthraling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. Secured Credit Under English And American Law : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Secured Credit Under English And American Law : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Secured Credit Under English And American Law : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
