The Ulysses Contract Michael Kemp, 2023-01-24. Avoid share market traps and create a watertight plan for long term investment success. Most of us know the Greek myth of Ulysses. He made a pact with his ship's crew, ordering them to block their ears with wax and tie him to the mast of the ship while they steered past an island inhabited by mythological creatures called Sirens. This story inspired the term Ulysses Contract, which is a commitment device that helps us to build and maintain good habits and decisions despite future temptations. In *The Ulysses Contract*, Michael Kemp uses the Ulysses analogy to warn of the sirens that tempt investors to part with their money and demonstrates how to put in place a successful investment plan that embodies discipline, consistency and patience. Written with masterful storytelling that expertly explains complex investment concepts, you will learn how to avoid get-rich-quick temptations, think cryptocurrency and day trading, learn from the lessons of history, it's NOT different this time, develop a long term low risk investing strategy. Armed with this knowledge, you will become empowered to make sound investment decisions and obtain your own slice of financial freedom.
