Science and Pseudoscience in Clinical Psychology, First Edition Scott O. Lilienfeld,Steven Jay Lynn,Jeffrey M. Lohr,2012-12-18 This is the first major text designed to help professionals and students evaluate the merits of popular yet controversial practices in clinical psychology differentiating those that can stand

up to the rigors of science from those that cannot. Leading researchers review widely used therapies for alcoholism, infantile autism, ADHD, and posttraumatic stress disorder; herbal remedies for depression and anxiety; suggestive techniques for memory recovery and self-help models. Other topics covered include issues surrounding psychological expert testimony, the uses of projective assessment techniques, and unanswered questions about dissociative identity disorder. Providing knowledge to guide truly accountable mental health practice, the volume also imparts critical skills for designing and evaluating psychological research programs. It is ideal for use in advanced undergraduate and graduate level courses in clinical psychology, psychotherapy, and evidence-based practice.

Science and Pseudoscience in Clinical Psychology Scott O. Lilienfeld, Steven Jay Lynn, Jeffrey M. Lohr, 2014-10-17 This valued resource helps practitioners and students evaluate the merits of popular yet controversial practices in clinical psychology and allied fields and base treatment decisions on the best available research. Leading authorities review widely used therapies for a range of child, adolescent, and adult disorders, differentiating between those that can stand up to the rigors of science and those that cannot. Questionable assessment and diagnostic techniques and self-help models are also examined. The volume provides essential skills for thinking critically as a practitioner, evaluating the validity of scientific claims, and steering clear of treatments that are ineffective or even harmful. New to This Edition: Reflects the significant growth of evidence-based practices in the last decade. Updated throughout with the latest treatment research. Chapter on attachment therapy. Chapter on controversial interventions for child and adolescent antisocial behavior. Addresses changes in DSM-5.

A Path to Wisdom Tony Jeton Selimi, 2020-06-10 It's Time to Create Your Dream Life. Tony J. Selimi's new masterpiece, *A Path to Wisdom*, is a thought-provoking book that can center your soul, touch your heart, and heal your body/mind. Dr. John Demartini, International best-selling author of *The Values Factor*, Learn how to explore the depths of your experience and maximise your knowledge and insights to create a wonderful life. Legendary Brian Tracy, the Author of *Many Miles to Go*, Distractions prevent you from listening to the inbuilt ALARM your body uses to alert you when something is wrong. Ignoring the body's wisdom is the root cause of disease, faster ageing, fears, business and personal failures, as well as many psychological disorders. Life adversities have the power to bring you out of your natural state of healthy balance and into creating lower mind animal behaviours that prevent you from realising your highest expression of yourself. The judgement of self and others is the biggest killer on the planet, but what if you could go from lower mind reactive thinking into Divine being, who is objective, proactive, and transcends human traits for a higher purpose that elevates your current awareness? What would be possible for you then? This Amazon bestselling and multi-award-winning book is a timeless life manual that offers a road map that safely guides you through an inside-out reflective journey to find and address the root cause of your physical, mental, emotional, spiritual, financial, business, relationship, and self-love, self-worthiness, and self-confidence issues that keep you out of your healthy natural state of inner balance, empowering you to activate, advance, and accelerate your human and business potential.
