Dear [Recipient's Name],

I hope this letter finds you well. I am writing to inform you of my decision to resign from my membership at [Church Name] effectively [resignation date]. Firstly, I want to express my gratitude and appreciation for the experiences and support I have received during my time as a member of this church community.

The friendships I have formed, the spiritual growth I have experienced, and the memories created will always hold a special place in my heart. I am truly grateful for the opportunities to serve and be a part of this loving community.

While it is difficult for me to leave, I believe it is the right time for me to explore different paths in my spiritual journey. Although our paths diverge, I will always cherish the values and teachings I have learned here.

I want to offer my assistance during the transition process, should you require it. Whether it is introducing the new member to the community or helping with any necessary paperwork, I am more than willing to support a smooth transition.

Once again, thank you for your guidance, teachings, and the warmth of the community. I sincerely appreciate everything this church has offered me. I wish you and the congregation continued growth and success in the future.

Sincerely,

Sample Church Membership Resignation Letter

Moving On---Moving Forward Michael Anthony, Mick Boersma, 2009-05-26 For most pastors and church staff members gone are the days of serving at the same church for twenty or thirty years What s more the landscape of pastoral hiring has changed with the advent of more sophisticated search committees the Internet and professional search firms But the fine art of changing churches or moving to a new career isn t something most of us learned in seminary Whether you are searching for your first position or are a seasoned veteran wrestling with if when and how to move on *Moving On Moving Forward* will help you navigate the ins and outs of the ministry employment maze Based on research with nearly 200 pastors who themselves have gone through transitions in ministry this book uniquely addresses the needs of people in ministry It deals with the crucial and sometimes painful emotional and familial issues involved in ministry transition And it is immensely practical and informed by many real life examples Topics covered include dealing with search committees writing a letter of resignation preparing a resume negotiating compensation and more Includes charts and worksheets *The Congregationalist and Christian World* ,1902 ***The Watchman-examiner*** ,1926 ***When a Pastor Search Committee Comes-- Or Doesn't*** J.
