Blackpool's Seaside Heritage Allan Brodie, Matthew Whitfield, 2015-04-01 Blackpool is Britain s favourite seaside resort Each year millions of visitors come to walk on its three piers ride donkeys enjoy shows at the Winter Gardens scream on the thrilling rides at the Pleasure Beach and ride the lift to the top of the Tower Generations of holidaymakers have stayed in its hotels lodging houses and bed and breakfasts and all have succumbed to its delectable fish and chips Two centuries of tourism has left behind a rich heritage but Blackpool has also inherited a legacy of social and economic problems as well as the need for comprehensive new sea defences to protect the heart of the town In recent years this has led to the transformation of its seafront and to regeneration programmes to try to improve the town for its visitors and residents This book celebrates Blackpool s rich heritage and examines how its colourful past is playing a key part in guaranteeing that it has a bright future

The Seaside, Health and the Environment in England and Wales since

1800 John Hassan,2016-12-05 The seaside has always held a special position in British history as a place of rest relaxation and recuperation Over the last 200 years many have made their way to the coast attracted by the long sunshine hours the clean ozone charged air and the opportunities for bathing in and even drinking sea water Although the early health resort ideal began to give way to more pleasure orientated themes in the nineteenth century the seaside holiday was still regarded by many as a wholesome and invigorating break from inland urban life well into the twentieth century Yet with ever increasing numbers of visitors and rising levels of coastal pollution this was by no means a forgone conclusion The Seaside Health and the Environment in England and Wales since 1800 explores the ways in which English seaside resorts continually reinvented themselves to take account of contemporary trends in popular leisure and maintain their hold on the public s imagination Particular account is paid to the interwar years when new obsessions with outdoor activities such as sunbathing and tanning were purposefully adopted by the industry to define the modern image of the resort holiday For these and other reasons the seaside holiday reached new peaks of popularity in the 1930s and 1950s yet this very success placed enormous pressures on the environmental amenities that people came to enjoy As this work shows environmental stresses were manifold particularly pollution of the resorts prime assets their beaches As such serious questions are raised concerning why it took such a long time for a determined effort to be made to reverse beach pollution and the lessons to be learned regarding the impact of negative images of the coast as a zone of danger and infection Sunny Days and Sea Breezes Carole Matthews,2020-06-25 THE TOP TEN SUNDAY TIMES BESTSELLER Winner of the RNA Romantic Comedy Novel of the Year award A life affirming story full of joy and hope CATHY BRAMLEY A sun filled fun filled wonderful escapist adventure MILLY JOHNSON When does time out become the time of your life Jodie Jackson is all at sea in every sense On a ferry bound for the Isle of Wight she s leaving her London life her career and her husband behind She d like a chance to turn back the clocks but she ll settle for some peace and quiet on her brother Bill s beautifully renovated houseboat Sunny Days But from the moment Jodie steps aboard her new home it s clear she ll struggle to keep herself to herself If it isn t Marilyn who cleans for Bill and is under strict instructions to look after Jodie then it s Ned the noisy sculptor on the next door houseboat Ned s wood carving is hard on the ears but it s made up for by the fact that he s rather easy on the eyes Bustled out of the boat by Marilyn and encouraged to explore with Ned Jodie soon delights in her newfound freedom But out of mind isn t out of sight and when her old life comes knocking Jodie is forced to face reality Will she answer the call or choose a life filled with Sunny Days and Sea Breezes An absolute must read from the queen of fun filled and life affirming fiction Sunny Days and Sea Breezes will make your heart sing A wonderful setting where dark clouds part to reveal a happy ending KATIE FFORDE A bright and breezy summer story the next best thing to a seaside trip SUNDAY MIRROR A delightful summer read HELLO Packed full of Matthews signature charm this has original characters and an escapist setting WOMAN Perfect escapism BELLA A bright breezy summery story BEST A warm summer read CHOICE SUNNY DAYS SEA BREEZES was a Sunday Times bestseller in
