 Oscar Wilde, 2024-09-11
 It is only shallow people who do not judge by appearances
 Lord Wotton The young naive and astonishingly beautiful Dorian Gray meets the cynical and hedonistic Lord Wotton with whom he begins to explore the more pleasurable less ethical sides of London
 While he enjoys a life of sin and excess his innocent beauty remains untainted almost as if he'd made a devil's bargain to keep it
 Wilde's only novel was considered indecent and corruptive when it was published in 1891 in particular because of its implied homoeroticism
 Today it is renowned one of the most famous Gothic novels a timeless classic and an inspiration for countless other books and movie adaptations
 A special edition hardcover embossed with silver foil
 The most popular Irish author in his original writing
 The books that the world calls immoral are books that show the world its own shame
 Oscar Wilde Experience is merely the name men gave to their mistakes
 Oscar Wilde The Picture of Dorian Gray
 Nowadays people know the price of everything and the value of nothing
 Oscar Wilde The Picture of Dorian Gray
 Let us have something iced to drink something with strawberries in it
 Lord Henry in Dorian Gray **Operas in English: A Dictionary**
 Margaret Ross Griffel, 2012-12-21
 In this revised and expanded edition of Operas in English A Dictionary Margaret Ross Griffel updates her work on operas written specifically to an English text including not only works originally in English but also those set to new English librettos
 Since the book's initial publication in 1999 Griffel has added nearly 900 new items bringing the total number of entries in this new edition to 4 400 covering the world of opera in English from 1634 through 2011
 The front matter includes a brief history of English opera to set the stage for the dictionary entries that follow
 Listed alphabetically each opera entry includes alternative titles a full descriptive title the number of acts composer's name librettist's name with original language of the libretto the source of the text date place and cast of the first performance date of composition if it occurred substantially earlier than the premiere similar information for the first U S including colonial and British England Scotland Wales performances brief plot summary main characters names and vocal ranges where known names of noteworthy numbers comments on special musical problems and techniques other settings of the text including non English ones other operas if any involving the same story or characters cross references are indicated by asterisks
 Entries include such information as first and critical editions of the score and libretto a bibliography ranging from scholarly studies to more informal journal articles and reviews a discography and information on video recordings
 Operas in English features

four appendixes a selective bibliography and two indexes The first appendix lists composers their places and years of birth and death and their operas included in the text as entries the second does the same for librettists the third records authors whose works inspired or were adapted for the librettos and the fourth comprises a chronological listing of the A Z entries including the date of first performance the city of the premiere or composition date if unperformed or performed much later the short title of the opera and the composer There is a main character index and an index of singers conductors producers composers of other settings and other key figures

Phenomenology Dermot Moran, Lester E. Embree, 2004 This set reprints the essential scholarship published in the field It includes a general introduction by the editors as well as individual volume introductions exploring and contextualising the main themes of the comprehensively covered tradition This is a key point of reference for anyone researching the phenomenological tradition

History of Economic Thought Isaac Ilyich Rubin, 1987-01-01 This is an important and unparalleled work which situated Marx's economic theory in relation to the economic theories that predate him from mercantilism to John Stuart Mill First published in 1929 the book dates from the fertile period of Marxist economic theory that produced the works of Preobrazhensky Kondratiev and Bukharin However as a review of pre Marxist economics it stands out from the many books which dwell only on the contemporary industrialisation debates This is a selective reading of economic thought offering analysis of those elements in past economics that accord with the areas of interest to Marxism Each section gives a brief analysis of a specific school of thought with particular attention to the social and ideological climate within which it evolved The book differs from orthodox accounts in not merely mentioning historical background but using it as a central explanation of the evolution of economic theories As a counterpoint to Rubin Catherine Colliot Thelene has written a daring essay which locates a crucial flaw in the logical structure of Marx's Capital

Remarks on the Revised Remarks on the Revised English Version of The Greek New Testament B.W. Newton, 1882 There are no 302 303 pp in the book

Crisis and Creativity in the New Literatures in English, 2021-11-15 Blue Devils; a farce, in one act, etc. (A loose version of a French piece written by M. Patrat [i.e. of "L'Anglais, ou le Fou raisonnable"]l.). George Colman, 1808

The English Bible, King James Version: The Old Testament (International Student Edition) (Vol. 1) (Norton Critical Editions) Herbert Marks, 2016-04-04 A stunning work of scholarship the Norton Critical Edition of The English Bible King James Version is the most accessible edition available In celebration of the 400th anniversary of the King James Bible these long awaited volumes bring together succinct introductions to each biblical book detailed explanatory annotations and a wealth of contextual and critical materials Archaic words are explained textual problems are lucidly discussed and stylistic features of the original texts are highlighted Judicious and economical the introductions and annotations to the Old Testament give readers without Hebrew an entry into complexities of biblical literature reconstructing its original contexts tracing its evolution and pointing out productive strategies of reading Incorporating the insights of modern biblical scholarship as well as centuries of precritical

interpretation they offer essential guidance to a labyrinthine world while respecting the text's integrity The historical and critical appendix comprises three distinct collections A section on ancient Near Eastern backgrounds presents the myths hymns prayers and legal codes that informed the creation of the Hebrew Bible A historical anthology of biblical interpretation gathers for the first time in one volume generous selections from the Jewish Christian and Muslim traditions along with classics of secular commentary It includes reflections on the Bible by philosophers from Hobbes to Ricoeur a compendium of modern biblical scholarship focusing on topics such as the oral and the written the composition of the Pentateuch and the historical movement from covenant to canon and a provocative sampling of comparative and literary approaches The crucial presence of the Old Testament within English literature is represented by paraphrases and parables in verse and prose and a recapitulatory conclusion brings the diverse perspectives of this millennial survey to bear on two of the Bible's most famous passages the expulsion from the garden of Eden and the binding of Isaac A final section devoted to the question of translation includes significant English versions from Wycliffe to the present Time lines chronologies diagrams and maps are included

Neutrosophy in Arabic Philosophy (English language version) Florentin Smarandache, Salah Osman, 2007-01-01

Examples of Neutrosophy used in Arabic philosophy While Avicenna promotes the idea that the world is contingent if it is necessitated by its causes Averroes rejects it and both of them are right from their point of view Hence and have common parts Islamic dialectical theology kalam promoting creationism was connected by Avicenna in an extraordinary way with the opposite Aristotelian Neoplatonic tradition Much work by Avicenna is neutrosophic Averroes's religious judges qadis can be connected with atheists believes al Farabi's metaphysics and general theory of emanation vs al Ghazali's Sufi writings and mystical treatises we may think about a coherence of al Ghazali's Incoherence of the Incoherence book al Kindi's combination of Koranic doctrines with Greek philosophy Islamic Neoplatonism Western Neoplatonism Ibn Khaldun's statements in his theory on the cyclic sequence of civilizations says that Luxury leads to the raising of civilization because the people seek for comforts of life but also Luxury leads to the decay of civilization because its correlation with ethics corruption On the other hand there's the method of absent by present syllogism in jurisprudence in which we find the same principles and laws of neutrosophy We can also function a lot of Arabic aphorisms maxims Koranic miracles Ayat Al Qur'an and Sunna of the prophet to support the theory of neutrosophy Take the colloquial proverb that The continuance of state is impossible too or Everything if it's increased over its extreme it will turn over to its opposite
