7. What are the scoring rules?	8. What are the winning conditions?	9. What are the losing conditions?

1. The purpose of the game is to have fun and learn about the different parts of a taco.

2. The game can be played by 2-10 players.

3. The rules are that each player gets a card with a different part of a taco on it. They then have to find the other players who have the same part of a taco and stand together. The first group to find each other wins.

4. The materials needed are cards with different parts of a taco on them, a timer, and a whistle.

5. To play, the teacher reads out the parts of a taco and the players find each other. The first group to find each other wins.

6. The safety rules are that players should not run or push each other.

7. The scoring rules are that each group gets 1 point for each correct match.

8. The winning conditions are that the group with the most points wins.

9. The losing conditions are that the group with the fewest points loses.
