It's perfect for college students, teachers, and career-changing professionals who are looking to teach Early Childhood through Grade 12 in Texas. Written by a leading specialist in teacher education, our complete study package contains an in-depth review of all four state-defined domains and the 13 competencies, including discussions of key educational concepts and theories as well as relevant laws. A diagnostic test and three full-length practice tests are offered online in a timed format with instant scoring, diagnostic feedback, and detailed explanations of answers. Each test features every type of question, subject area, and skill you need to know for the exam. Our online practice tests replicate the Pearson TEXES question format, allowing you to assess your skills and gauge your test readiness. The book includes two of the three practice tests in print. The online tests at REA's Study Center offer the most powerful scoring and diagnostic tools available today. Automatic scoring and instant reports help you zero in on the topics and types of questions that give you trouble now so you'll succeed when it counts. Every practice exam comes with detailed feedback on every question. We don't just say which answers are right; we explain why the other answer choices are wrong so you'll be prepared on test day. This complete test prep package comes with a customized study schedule and REA's test-taking strategies and tips. This test prep is a must-have for anyone who wants to teach EC 12 in Texas. **Resources in Education**, 1996-05 Case Studies in Science Education: The case reports, 1978 Research in Education, 1974 *Case Studies in Science Education* University of Illinois at Urbana-Champaign, Center for Instructional Research and Curriculum Evaluation, 1978 **Nature and Science Education Review**, 1928 **Rigor in the K-5 Math and Science Classroom** Barbara R.
