that certain end Author Larry Reynolds is forced into the journey by the death at a young age of his long time friend Tracy McGuire Tracy lives life without regard to cost or consequence a stark contrast to the stable predictable life Larry has chosen Neither men wanted to accept their circumstance those random moments in life that lead to answers to questions many of us keep buried within The Last Letter is a book of discovery The Last Letter is a book that explains the different paths we each take to often arrive at a similar place not death but the power of life and the nuances and frailties that make us all human
