Newby a sitting justice of the North Carolina Supreme Court the second edition includes significant constitutional amendments adopted since the date of the first edition Almost every article was affected by the changes Some were minor such as the lengthening the term of magistrates and some were more significant such as spelling out the rights of victims of crimes One was obviously major granting the governor the power to veto legislation making North Carolina's governor the last American governor to be given that power In addition the North Carolina Supreme Court has continued the seemingly never ending process of constitutional interpretation Some judicial decisions answered fairly routine questions about the
