Seedless in Seattle Ross O'Carroll-Kelly, Paul Howard, 2015 My old schools coach Father Denis Fehily used to say God life and rugby balls they all move in mysterious way And I could like fully understand that statement Like the great Jesus Christ Himself I hit the age of 33 with a lot on my mind I had three newborn future Ireland internationals to feed a daughter in need of psychiatric evaluation and a son obsessed with uncovering the dark secrets of our family s 1916 past Throw into the mix a sister missing in Orgentina a wife who needed a little shall we say encouragement to shed her baby weight and a set of interfering in laws living under my roof You can see why life had become a hassle But just when I thought it couldn t get any more complicated a moment of indiscretion with what else another women persuaded Sorch a that I needed to have the unkindest cut of all Reading Paul Howard Eugene O'Brien, 2023-12-22 Reading Paul Howard The Art of Ross O Carroll Kelly offers a thorough examination of narrative devices satirical modes cultural context and humour in Howard s texts The volume argues that his academic critical neglect is due to a classic bifurcation in Irish Studies between high and popular culture and it will use the thought of Pierre Bourdieu Sigmund Freud Mikhail Bakhtin and Jacques Derrida to critique this division building a theoretical platform from which to examine the significance of Howard s work as an Irish comic and satirical writer Addressing both the style and the substance of his work this text locates him in a tradition of Irish satirical writing that dates back to the Gaelic bards and it includes writers like Swift Wilde Flann O Brien and Joyce Through textual and contextual analysis this book makes the case for Howard as a significant and original voice in Irish writing whose fusion of the three traditional types of satire Horatian Juvenalian and Menippean has created a parallel Ireland that shines a satirical light on its real counterpart As Freud suggests humour is a way of accessing aspects of the psyche that normative discourses cannot enunciate and Howard through the confessional voice of Ross offers a fictive truth on 20 years of Irish society a truth that is not accessed by discourse in the public sphere or by what could be termed literary or high cultural fiction Notices of Judgment Under the Federal Food, Drug, and Cosmetic Act...
