Business Partner B1 ebook Online Access Code M O'Keefe, Mr Lewis Lansford, Ms Lizzie Wright, Mr Jonathan Marks, Ms Ros Wright, Author, 2019-06-20 Academic Identity and the Place of Stories Susan Carter, 2020-05-12 This book explores academic identity development in the 21st century university Recognising dramatic shifts in academic practices and landscapes the book pushes back on rising neoliberalism with a person focused culturally aware pathway for career development Stories of the author's own experiences intersect a solid grounding in educational literature encouraging scholars to take an active role in considering their own academic identity In doing so this volume

suggests that academics look inward at what matters to them rather than being overwhelmed by academia in order to shape identities and career trajectories that are dynamic and satisfying

Digital Tools for Academic Branding and Self-Promotion Cabrera, Marga, Lloret, Nuria, 2016-10-31 Reputation can be a pivotal factor to potential success throughout one's academic career. By utilizing available technological assets and tools, professionals can effectively manage their personal brands. *Digital Tools for Academic Branding and Self-Promotion* is an authoritative reference source for the latest research on the interrelationship between digital branding and academic reputation. Showcasing relevant digital platforms and techniques, this book is a compendium of vital material for academics, professionals, practitioners, and marketers interested in effective reputation management.

Ethical Dilemmas in International Criminological Research Michael Adorjan, Rosemary Ricciardelli, 2023-03-31 Building on the editors' previous publication *Engaging with Ethics in International Criminological Research*, this new book brings together a fresh collection of leading international scholars tackling ethical dilemmas in criminological research. Contributors address how they have experienced and addressed ethical issues in their research and how they have balanced the benefits and harms of doing such research for both the researcher and the researched. *Ethical Dilemmas in International Criminological Research* draws on various issues across a range of jurisdictions and political and social contexts, including cybercrime and transgressive online actions, state and police responses to crime, the war on drugs, working with traumatised participants in criminological research, punishment and prison, and sex, sexualities, and gender. Moreover, this collection aims to offer a truly international perspective, including insights from research projects in the Global South. This book is essential reading for junior scholars just starting out with original research, as well as more seasoned researchers looking to gain insights into the challenges of criminological research in other cultural contexts. It is also instructive reading for students taking courses in criminological and social research methods.

Teacher Professional Development Programs in EMI Settings Ali Karakaş, Yasemin Kırkgöz, 2025-05-02 This book showcases a range of professional development activities in English medium instruction (EMI) from diverse international contexts. While EMI offers many benefits, it also comes with challenges for both teachers and learners, especially in terms of language proficiency, teaching practices, and curriculum design. To address these challenges, professional development activities are essential for supporting teachers and learners in EMI contexts. The scope of the book includes topics such as teacher training, curriculum design, assessment, classroom practices, and policy implementation in a range of EMI settings, including higher education, schools, and vocational institutions. The book offers practical guidance and innovative approaches for practitioners that will enhance their teaching practices and support their learners. The book also provides new insights into the challenges and opportunities of EMI in different contexts and contributes to the development of new theoretical frameworks for understanding EMI. This book is intended for EMI teachers, teacher trainers, researchers, policymakers, and administrators at different levels of education.

BrandED Eric Sheninger, Trish Rubin, 2017-03-27 Praise for BrandED A great resource for educators who want to strengthen their connections with students teachers parents and the wider community These two innovative leaders don t just capture how to tell the story of a school they show how to create it Adam Grant New York Times bestselling author of Originals and Give and Take Every day in every one of your schools great things happen How does your community know Schools that are Future Ready boldly engage their community to build relationships and empower both students and families Powerful yet practical BrandED is the perfect resource to help your school share its story with the world Thomas C Murray Director of Innovation Future Ready Schools Eric and Trish demystify what it means to brand one s school by providing eight compelling conversations that not only lead to a deeper understanding of branding but provide relevant ways for school leaders to frame their work In the vast sea of information in which we currently reside using the BrandED Leadership methods described in this book will help school leaders reach their audiences in ways that create trusting relationships and loyalty Dwight Carter Principal New Albany High School Disruption is the new normal And the great disruptors of our time are shaping the culture itself in innovative ways Eric and Trish s book BrandED sends a very compelling message to school leaders that developing and executing a smart innovative brand strategy can disrupt the best practices conventions of the existing school system Like great disruptive brands from Apple to Uber educators now have the ability to get the community engaged and immersed in the school s brand equity and BrandED provides the roadmap for getting there Scott Kerr Executive Director of Strategy and Insights Time Inc A brand is built around three key elements image promise and result The power of a brand to communicate all three elements is undeniable and in today s digitally connected social society schools and school districts have a lot to gain by developing and promoting their own brand identities BrandED is the groundbreaking guidebook for educators who want to enhance communication with students parents and stakeholders to create a transparent record of value You know great achievements happen at your school Unfortunately many of those stories stop at the school doors This hands on guide from two rising stars in the education field Eric Sheninger and Trish Rubin empowers educators at all levels to take control of how the mission values and vision of their

schools is communicated An engaging collection of transformative conversations lead you to discover the opportunities and benefits of designing a brand for your school and sustaining a BrandED community to evangelize it Even if you have no marketing experience the easy to use framework takes you step by step through the nuances of spreading good news about your school and building relationships around those actions Timesaving practical advice prepares you to begin innovating at your school right away and convenient tips and reflections at the end of each chapter make it easy to integrate the BrandED mindset and practices into your everyday routine Become a driving force behind your school getting the recognition it deserves by Branding yourself as your school s storyteller in chief and amplifier through a variety of traditional and digital tools and platforms Improving relationships with key stakeholders developing strategic partnerships and attracting more resources and opportunities Fostering a positive culture extending and influencing beyond the school grounds BrandED is your one stop resource for designing and sustaining your individual brand as a leader and the brand of your school or district Join the conversation on Twitter using brandEDU

Teachers of Multiple Languages Eric K. Ku,2023-09-04 This book argues that teachers of multiple languages TMLs form a distinct group of language teachers and that the study of this largely overlooked demographic group can reveal new insights into how we perceive and research language teachers The book highlights the narratives of three TMLs from diverse global contexts examining their journeys in navigating their careers as well as traversing multiple worlds and developing additional ways of being through new identities beliefs and emotions The author offers new globally relevant insights for language teaching research at individual pedagogical and institutional level and demonstrates that teaching multiple languages is an emerging transnational phenomenon that cuts across age languages countries institutions and career stages By furthering our understanding of why and how some multilingual language teachers have expanded and changed their careers through teaching additional languages the book offers a new perspective on how language teaching careers are changing in an increasingly globalized multilingual world

Email and the Everyday Esther Milne,2024-07-02 An exploration of how email is experienced understood and materially structured as a practice spanning our everyday domestic and work lives Despite its many obituaries email is not dead As a global mode of business and personal communication email outstrips newer technologies of online interaction it is deeply embedded in our everyday lives And yet perhaps because the ubiquity of email has obscured its study this is the first scholarly book devoted to email as a key historical social and commercial site of digital communication in our everyday lives In Email and the Everyday Esther Milne examines how email is experienced understood and materially structured as a practice spanning the domestic and institutional spaces of daily life Email experiences range from the routine and banal to the surprising and shocking Drawing on interviews and online surveys Milne focuses on both the material and the symbolic properties of email She maps the development of email as a technology and as an industry considers institutional uses of email including bureaucratic intensity of workplace email and the continuing vibrancy of email groups and examines what happens when private emails end up in

public archives discussing the Enron email dataset and Hillary Clinton's infamous private server Finally Milne explores the creative possibilities of email connecting eighteenth century epistolary novels to contemporary email novels discussing the vernacular expression of ASCII art and mail art and examining email works by Carl Steadman Miranda July and others

Faster, Fewer, Better Emails Dianna Booher, 2019-06-18 Will open your eyes to a whole new way of thinking about email its purposes structure improper uses security risks and productivity strategies Marshall Goldsmith 1 New York Times bestselling author Today most business writing is email writing We handle even our most important customer transactions internal operations and supplier partnerships solely by email Yet many of us still struggle to write emails that get results And we often are so overwhelmed by the sheer volume of emails that we feel as though we're in email jail How we handle email has a large impact on the trajectory of our career Emails can build or destroy credibility clarify or confuse situations for our coworkers and customers and reduce or increase security risks and legal liabilities This book will help you master your emails and stand out as a clear credible communicator After all clear credible communicators become leaders in every industry With more than three decades of experience analyzing emails across various industries for corporate clients Dianna Booher offers guidance on how to identify and stop email clutter so you can increase productivity while improving communication flow In this book you will learn how to Compose actionable emails quickly by following Booher's philosophy of Think First Draft Fast and Edit Last Write concise emails that get read so you get a quick response Organize a commonsense file storage system that helps you find documents and emails quickly to attach and send Present a professional image when you email prospects customers and coworkers Be aware of legal liabilities and security risks as you send and receive email

Academics Writing Karin Tusting, Sharon McCulloch, Ibrar Bhatt, Mary Hamilton, David Barton, 2019-03-14 Academics Writing recounts how academic writing is changing in the contemporary university transforming what it means to be an academic and how as a society we produce academic knowledge Writing practices are changing as the academic profession itself is reconfigured through new forms of governance and accountability increasing use of digital resources and the internationalisation of higher education Through detailed studies of writing in the daily life of academics in different disciplines and in different institutions this book explores the space and time of academic writing tensions between disciplines and institutions around genres of writing the diversity of stances adopted towards the tools and technologies of writing and towards engagement with social media and the importance of relationships and collaboration with others in writing and in ongoing learning in a context of constant change Drawing out implications of the work for academics university management professional training and policy Academics Writing The Dynamics of Knowledge Creation is key reading for anyone studying or researching writing academic support and development within education and applied linguistics *Investigating Business Communication and Technologies* Rhonda Rasmussen, Aliisa Mylonas, Hilary
