Commentary Matthew Henry,2010-09-21 Time has sealed the reputation of Matthew Henry's classic commentary as a rich source of insight into God's word Four centuries after its first publication it remains one of the best loved most popular commentaries ever written However while its wisdom is timeless the English language has changed much through the years Words that meant one thing in Matthew Henry's day have taken on different meanings today In addition Henry's often wordy reflections are generations removed from the crisp style that communicates most effectively to contemporary readers The

Zondervan NIV Matthew Henry Commentary is a masterful response to these concerns It delivers the heart and soul of Henry's incomparable writings in a style that is easy to read and understand Dr Leslie Church's meticulous abridgment retains the essential content of the original work Easily misunderstood words have been replaced with modern ones while keeping Henry's style Use of the New International Version NIV instead of the King James Version makes this edition fully compatible with today's most widely used Bible translation In one volume here is a wealth of exposition metaphors analogies and illustrations ideal for Personal devotions Bible study Sermon and lesson preparation
