Nlp At Work The Essence Of Excellence:

NLP at Work Sue Knight, 2010-11-26 This major new edition of Sue Knight's bestselling book *NLP at Work* has been extensively revised and updated with an emphasis on the heart of NLP becoming a model of excellence. In addition to a new slant to every chapter, there are three new chapters on the key things that make the biggest difference for the greatest results: Humour enabling you to stand back and see things from a different perspective; Clean questions minimising yourself to find out the essence of the other person; Time understanding how what you get in life is influenced by your relationship to time past, present and future. *NLP at Work* has sold over 100 000 copies and is one of the most popular books ever published on the practical skills of NLP and how it can be applied in business. It transformed NLP from a peripheral art into an accessible practical concept with relevant applications in the areas of influence, communication, negotiation, teamwork and coaching. Clear, readable and jargon-free, this book will help you get to the essence of what makes you and your business excellent and unique.

NLP at Work Sue Knight, 2009 This major new edition of Sue Knight's bestselling book *NLP at Work* has been extensively revised and updated with an emphasis on the heart of NLP becoming a model of excellence. Coaching Presence Maria Iliffe-Wood,2014-03-03 One of the hallmarks of maturity as a coach is awareness of how your values beliefs and other factors affect your coaching interventions It takes skill to notice these influences which can manifest both physically and mentally during coaching while simultaneously ensuring a client focused approach Coaching Presence examines how self awareness can be built across key aspects of coaching practice

introducing a model that will help you make a conscious and deliberate choice for every approach or intervention that you use with your client. It explores how by paying close attention to the motivations behind every coaching choice you can minimize the unconscious negative influences and bias to produce the best outcome for the client and their wider system. It will also help you recognize when conscious visibility expressed explicitly to the client may actually be the best coaching solution. An online supporting resource includes a Leader as Mediator white paper.

The Listening Leader Emilio Galli Zugaro, Clementina Galli Zugaro, 2017-01-30. Leaders often say I communicate when in fact they mean I tell. Yet being able to really listen is the key to growth and results. The Listening Leader provides a clear framework for taking action to implement a communicative leadership style. By actively listening to your organisation and external stakeholders you will be able to better navigate today's VUCA (volatile, uncertain, complex and ambiguous) economy and digitally transparent world. This makes a genuine difference to the performance of your organization, better responds to the expectations and needs of their stakeholders and dramatically increases your competitiveness in the market.

Behind Closed Doors Erik de Haan, 2016-06-30. Behind Closed Doors is a ground-breaking exploration of executive coaching based on a wide range of real-life case studies of coaching in action. Despite the significant growth of executive coaching over the last 20 years, very few case studies are available which can be used to guide practising coaches and those who retain their services and which reveal the reality of coaching in action. Yet when the curtain is pulled back, we can learn much about the impact of different interventions and different styles where change happens for the better and where potential pitfalls may occur. Written by skilled and experienced practitioners and showing what happens inside coaching relationships, this book provides just such guidance.
