No Great Mischief:

No Great Mischief Alistair MacLeod, 2012-01-11 Alexander MacDonald guides us through his family's mythic past as he recollects the heroic stories of his people: loggers, miners, drinkers, adventurers, men forever in exile, forever linked to their clan. There is the legendary patriarch who left the Scottish Highlands in 1779 and resettled in the land of trees where his descendants became a separate Nova Scotia clan. There is the team of brothers and cousins, expert miners in demand around the world for their dangerous skills. And there is Alexander and his twin sister who have left Cape Breton and prospered yet are haunted by the past. Elegiac, hypnotic by turns, joyful and sad, *No Great Mischief* is a spellbinding story of family, loyalty, exile, and of the blood ties that bind us generations later to the land from which our ancestors came. Alistair MacLeod Irene Guilford, 2001 Including personal interviews, background information, and criticism, this collection of essays examines renowned Canadian author Alistair MacLeod's life and the writing of his novel *No Great Mischief*. Various literary critics explore themes present in his work such as memory versus myth and the blending of history. One of the chief contemporary fiction writers, MacLeod has won such honors as the Dartmouth Book Award for Fiction, the Raddall Award for Fiction, and the Trillium Award for Fiction. **Setting in the East** David Craig Creelman, 2003 The Maritime region is thus torn between its memory of an earlier, more prosperous and traditional social order and its present experience as a less fortunate, modern industrial society. These tensions are embedded in the Maritime character and have affected not only the lives of its people but the imaginations and texts of its writers. **BOOK JACKET** *No Great Mischief* by Alistair MacLeod Gillian Bouras, 2002 Literary Environments Britta Olinder, 2006 Selection of the literary articles presented at the 7th triennial conference of the Nordic Association for Canadian Studies held in Stockholm, Sweden, in August 2002. P. 9 *Culture, Nation, and the New Scottish Parliament* Caroline McCracken-Flesher, 2007 Culture, Nation, and the New Scottish Parliament asserts that while Scotland's new Parliament, 1999, is a creation of laws, politics, and economics, some of the forces underpinning it are cultural; therefore, constantly alive and insistently creative. Scotland may not be confined by but has always lived within and moved forward and outward through its signs and stories. In the moment of the new Parliament, it is time to cast up Scotland's accounts of past and present and to review the nation's futures. Readers will find the usual signs of Scotland foregrounded, questioned, and re-energized as contributors trace the dynamic toward a Scottish Parliament. And they will find new signs: whether sounds, sights, or souvenirs come into play, revealing today's performance of a dynamic Scotland. Caroline McCracken-Flesher teaches the novel, the British eighteenth and nineteenth centuries, Scottish literature, and literary theory at the University of Wyoming. Les Belles Étrangères Jane Koustas, 2008-03-10 While translation history in Canada is well documented, the history of the translation of Canadian fiction outside the nation remains obscure. *Les Belles étrangères* examines the translation of Canadian English language fiction in France. This book considers the history of this practice, the reasons for the move away from Quebec translators, as well as the process and perils involved in this detour. Within a

theoretical framework and drawing on primary sources this study considers the historical theoretical and concrete aspects of this practice through the study of the translations of authors such as Robertson Davies Carol Shields Margaret Atwood Michael Ondaatje Ann Marie MacDonald and Alistair MacLeod The book also includes a comprehensive bibliography of English language novels poetry and plays published and translated in France over the past 240 years *Translation of Cultures* Petra Wittke-Rüdiger, Konrad Gross, 2009 The contributors to this collection approach the subject of the translation of cultures from various angles Translation refers to the rendering of texts from one language into another and the shift between languages under precolonial retelling transcreation colonial domestication and postcolonial multilingual trafficking conditions **No Great Mischief [by] Alistair MacLeod** Scott Hurley, 2001 *Land Deep in Time* Weronika Suchacka, Hartmut Lutz, 2023-10-09 This volume brings together a group of most highly acclaimed Canadian writers and distinguished international experts on Canadian literature to discuss what potential Janice Kulyk Keefer's concept of historiographic ethnofiction has for ethnic writing in Canada The collection builds upon Kulyk Keefer's idea but also moves beyond it by discussing such realms of the concept as its ethics and aesthetics multiple and multilayered sites generic intersections and diasporic contexts Thus focusing on Canadian historiographic ethnofiction *Land Deep in Time* is the first study to define and explore a type of writing which maintains a marked presence in Canadian literature but has not yet been recognized as a separately identifiable genre Douglas Gibson Unedited Douglas Gibson, Christine Evain, 2007 This volume highlights the work of Canadian editor Douglas Gibson currently working at McClelland Stewart It covers a broad spectrum of topics including the difference between publishing fiction and non fiction and an analysis of the book industry today

publishing sound like great fun The Globe and Mail Toronto [Prizing Scottish Literature](#) Stevie Marsden,2021-02-15 This cultural history of the Saltire Society Literary Awards demonstrates the significance the awards have had within Scottish literary and cultural life It is one piece of the wider cultural award puzzle and illustrates how far from being parochial or niche lesser known awards whose histories may be yet untold play their own role in the circulation of cultural value through the consecration of literary value The study of the Society's Book of the Year and First Book of the Year Awards not only highlights how important connections between literary awards and national culture and identity are within prize culture and how literary awards and their founding institutions can be products of the socio political and cultural milieu in which they form but this study also illustrates how existing literary award scholarship has only begun to scratch the surface of the complexities of the phenomenon This book promotes a new approach to considering literary prizes proposing that the concept of the literary awards hierarchy can contribute to emerging and developing discourses pertaining to literary and indeed cultural prizes more broadly
