Barclay, 2009-07-28 Critically acclaimed and bestselling author Linwood Barclay brings terror closer than ever before in a stunning thriller in which murder strikes in the place we should feel safest of all In a quiet neighborhood in the house next door a family is brutally murdered for no apparent reason You can't help thinking It could have been us And you start to wonder What if we're next Promise Falls isn't the kind of community where families are shot to death in their own homes But how well did Jim and Ellen Cutter really know their neighbors or the darker secrets of their small town They don't have to look further than their own marriage to know that things aren't always what they seem Now the Cutters and their son Derek must face the unthinkable that a murderer isn't just stalking too close to home but is inside it already **Detecting Canada**

Jeannette Sloniowski, Marilyn Rose, 2014-03-25 The first serious book length study of crime writing in Canada Detecting Canada contains thirteen essays on many of Canada's most popular crime writers including Peter Robinson Giles Blunt Gail Bowen Thomas King Michael Slade Margaret Atwood and Anthony Bidulka Genres examined range from the well loved police procedural and the amateur sleuth to those less well known such as anti detection and contemporary noir novels The book looks critically at the esteemed sixties television show *Wojeck* as well as the more recent series *Da Vinci's Inquest* *Da Vinci's City Hall* and *Intelligence* and the controversial Durham County a critically acclaimed but violent television series that ran successfully in both Canada and the United States The essays in *Detecting Canada* look at texts from a variety of perspectives including postcolonial studies gender and queer studies feminist studies Indigenous studies and critical race and class studies Crime fiction enjoyed by so many around the world speaks to all of us about justice citizenship and important social issues in an uncertain world **Elevator Pitch** Linwood Barclay, 2019-09-17 INSTANT NATIONAL BESTSELLER The 1

bestselling Linwood Barclay returns with an edge of your seat thriller that does for elevators what *Psycho* did for showers and *Jaws* did for the beach a heart pounding tale of terror and menace that will make you think twice the next time you hit Up It all begins on a Monday when four people board an elevator in a Manhattan office tower Each presses a button for their floor but the elevator proceeds nonstop to the top Once there it pauses for a few seconds but the doors don't open Instead the elevator begins to descend floor by floor Then it plummets Right to the bottom of the shaft It appears to be a random accident But on Tuesday it happens again in a different Manhattan skyscraper And then Wednesday brings yet another tragic high rise catastrophe In only three days one of the most vertical cities in the world and the nation's capital of media nance and entertainment is plunged into chaos Clearly this is anything but random This is a cold calculated bid to terrorize the city And

it's succeeding. Fearing for their lives, thousands of men and women working in offices across the city refuse to leave their homes. Commerce has slowed to a trickle. Emergency calls to the top floors of apartment towers go unanswered. Who is behind this? Why are they doing it? Are these deadly acts of sabotage somehow connected to a nameless body found on the High Line? Two seasoned New York detectives and a straight-shooting journalist race against time to uncover the truth before the city's newest and tallest residential tower has its ribbon cutting on Friday night. With each diabolical twist, Linwood Barclay ratchets up the tension, building to a shattering finale. **Elevator Pitch** is a riveting tale of psychological suspense that is all too plausible and will chill you to the bone.

Indefensible Pamela Callow, 2011-01-01. When Elise Vanderzell plummets from her bedroom balcony one gorgeous summer night, her children awaken to a nightmare. Their mother is dead. Their father is charged with her murder. Lawyer Kate Lange knows all about nightmares. She's survived the darkest period of her troubled life, and the wounds are still raw. Now she's been handed a case that seems utterly unwinnable: defending her boss, high-profile lawyer Randall Barrett. A prosecutor's dream suspect, Randall is a man who was cuckolded by his ex-wife. A man who could not control his temper. A man who had argued bitterly with the victim the previous day in full view of the children. With limited criminal law experience, Kate finds herself enmeshed in a family fractured by doubt. Randall's teenage son is intent on killing him. His daughter wants only to feel safe again. And the entire legal community would like nothing better than to see Randall receive a public comeuppance. As Kate races to stay a step ahead of the prosecution, a silent predator is waiting for the perfect time to deal the final blow.
