

But all the people on the Earth were using badly
landed to send a Flood that would wipe out evil

because there was one good man on Earth.
His name was Noah, and God trusted him

God decided that He would save Noah
by telling him that the Flood was coming
before Noah to build a really big boat, called an ark

After Noah had built the ark, God told him to put two of every
animal on the Earth in it, both male and female

His family, and the animals were all safely on the ark,
just as God had kept telling for forty days and nights

destroyed the Earth. Every living thing on the face of the
earth except for Noah, his family, and the animals who
were safe in the ark

The sun came out, the waters started to dry up
came to rest on a mountain. Noah sent out a dove to
find dry land, but it came straight back
