Peck, 2025-02-25 Adolescents like everyone else make mistakes However religious educators Cynthia L Cameron Lakisha R Lockhart Rusch and Emily A Peck argue that some youths are born with the privilege of making mistakes in ways that others often are not They also argue that many Christian education practices that guide our understandings of mistake making are shaped by gender and gender identity sexual orientation and race in ways that disenfranchise some adolescents In response Cameron Lockhart Rusch and Peck curate a much needed conversation that helps religious educators accompany adolescents and better understand mistakes based on a theological framework that names adolescents as fundamentally good The result is an edited volume that explores ways educators can walk with adolescents so that youth can learn from their mistakes and grow without misunderstanding all mistakes as sin Together these essays seed a theology of adolescent goodness that is rooted in a liberative Christian theological anthropology Drawing on both qualitative and quantitative research Nobody's Perfect offers nuanced and robust definitions of what a mistake is apart from definitions of sin The book also explores the challenges of talking about mistake making and sin with adolescents within religious institutional contexts that shape policy pastoral practice and ministry orientations Finally the book presents youths own voices about how they understand and process what mistake making looks like in the contexts in which they live and learn Nobody's Perfect is for Christian educators who serve either in the academy or in congregational settings The book well serves educators who recognize the various cultural and developmental challenges adolescents face when their church communities The book also offers tools to help such church leaders attend to religious education spaces with a renewed theology that can root a more liberative experience of religious education *Nobody's Father* Marlene A. Nobody's Rag Doll Kate Swift,2011-06-01 DescriptionThis book takes you into the centre of my childhood and shows you how everything is not always what it seems To the outside world we were a normal family and that is just how my mother liked it to appear But behind the closed front door was drinking abuse addiction violence and for a time a man who posed as a family friend in order to gain access to the boys I take you from my childhood through my teens and on the very rocky journey of my healing from the past I share with you my innermost thoughts during some of the most difficult times of my life so far This book gives you an insight into a victim of child abuse working her way through to becoming a survivor Along the journey I too fell into relationships where domestic violence was common place and I share with you my experiences and what made me finally walk away This book is about survival it is about how you can go to rock bottom and come back up again How you can feel that your life is finished and then find a whole new purpose and energy for living In my previous book *This Tangled Web* I shared my poetry written in the years after my abuse here we have the untangling of that web and the story behind the poetry About the AuthorKate Swift was born into a family of 5 other siblings in the spring of 1977 Kate s early years were not

a great introduction into family life and the world around her Her father worked hard and drank even harder coming home to sleep off the alcohol For Kate as a child of 3 4 5 he was a loud and scary person who ranted and raved Kate found solace by hiding under the table until the shouting was done Kate was a mummy s girl she adored and idolised her mother Whilst her father was someone she felt never particularly wanted her Kate enjoyed school and thrived on the love of her mother Life was never quiet with 5 other siblings around and the ups and downs of every day living When Kate was in her 8th Year she was just like any other child enjoying school playing with her dolls drawing pictures making mud pies just being a child until the day her life would change forever The day her older brother placed his hand somewhere she had never been touched before It was the school summer holidays a bright sunny day and they were watching cartoons on television That was the beginning of the end of her childhood and what followed was a further 8 years of being sexually abused Kate would be woken up in the middle of the night by him climbing into her bed In her sleepy state she would be told what was expected of her not always with words in fact often with silent physical prompting Always when he got what he wanted from her he would turn and walk away never looking back or speaking Kate was left with her soft toys for comfort It won t surprise you to know she suffered nightmares and was so afraid of the dark Night times held a ritual for Kate before she would go upstairs to bed she would send her dad up What did she want him to check for I guess her parents thought they were checking for monsters under the bed Her curtains had to be shut tight no gaps the light had to be on the windows locked Kate was trying to feel safe in a world where the danger was inside the house and silent The sexual abuse was everything from touching to rape Kate never knew when next he would come to abuse her She would listen out for the floor board that creaked in a certain spot on the landing No time of the day or night was off bounds to him depending on the availability of his victim and the right opportunity Life continued as normally as was possible for Kate in between these times Looking back there were signs that adults could have picked up on but for whatever reasons missed When Kate was 15 years old the ordered chaos in her mind descended into complete terror and panic Here she was a student at senior school who thought she was expecting her brother s baby The torment was too much and

A Spear of Summer Grass Deanna Raybourn, 2017-07-17 Death, divorce and scandal send an American socialite to Kenya for a journey of discovery in this historical novel by a New York Times bestselling author. Paris 1923: The daughter of a scandalous mother, Delilah Drummond is already notorious even among Paris society. But her latest scandal is big enough to make even her oft-married mother blanch. Delilah is exiled to Kenya and her favorite stepfather's savanna manor house until gossip subsides. Fairlight is the crumbling sun-bleached skeleton of a faded African dream, a world where dissolute expats are bolstered by gin and jazz, records, cigarettes and safaris. As mistress of this wasted estate, Delilah falls into the decadent pleasures of society. Against the frivolity of her peers, Ryder White stands in sharp contrast. As foreign to Delilah as Africa, Ryder becomes her guide to the complex beauty of this unknown world. Giraffes, buffalo, lions and elephants roam the shores of Lake Wanyama amid swirls of red dust. Here life is lush and teeming yet fleeting and often cheap. Amidst the wonders and dangers of Africa, Delilah awakes to a land out of all proportion, extremes of heat, darkness, beauty and joy that cut to her very heart. Only when this sacred place is profaned by bloodshed does Delilah discover what is truly worth fighting for and what she can no longer live without. Praise for *A Spear of Summer Grass*: An exotic journey of redemption. Kirkus Reviews. Rayburn's breezy, straightforward style is a nice counterpoint to the complexity of her heroine. Publishers Weekly. **Nobody's**

Paper Faces Alexis Krogman, 2017-11-30 People like me, people like us: we never stood a chance. Faye is a girl who has been on the streets from the time she and her younger sister Echo were abandoned by their parents. Both their lives have been a struggle. The two of them have grown up street-savvy, stealing when necessary and never getting caught, thanks to Faye's abilities. Cosmic is a boy who has had an average life until his world fell apart at age seven. He's kept a terrible secret for so long. His life has been a struggle. He wonders if he will ever be anything more than the monster he sees himself as. Both of them have had to fend for themselves until they found people they thought they could trust. But not even this trust could last forever. Neither one knows the other exists, that is, until fate brings them together. The two are thrown into the wilderness, an entire world which has the sole purpose of disposing of criminals, but they are not about to give up that easily. Faye has her sister to live for, and she will never give up hope so long as there is life in her body. Her sister means the world to her, and Faye knows that Echo could never survive on her own. Cosmic is determined to survive just to spite the world and prove that he can't be disposed of so easily. But his will to survive changes when he meets Faye.
