

“There are some other possibilities,”
the director claims.

Directions: Read the short story and select *one* character. Describe the story, focusing on specific events. Analyze the character's appearance as a literary character. Explain the significance of your analysis. Use specific evidence from the text to support your analysis.

† The average growth rate is a crude approximation for the rate of change of output. When the growth rate is negative, the approximation is not useful.

12. *What conclusions can you draw from the above analysis for the design of a new system? Do you think that the current system is adequate for the needs of the organization? Do you think that the current system is adequate for the needs of the organization? Do you think that the current system is adequate for the needs of the organization?*

8. **What does drywall and sheetrock (joint compound) represent and create within/through your work? What is/are the meanings and meanings that others understand? What do others understand about you? What do you understand about others? What do you understand about the world?**
