My interests outside of my professional life include yoga, golf and reading and I am currently doing some volunteer work for a charity which helps victims of crime. I am extremely punctual and pride myself on exceptional manners and kindness.

What Is The Reason For Leaving Your Previous Job?

I spent three years working for (company name) where I gained a lot of knowledge which complimented my studies. My main goal in applying for this position of Psychologist is to help people. The reason that I entered into this career was to make a difference to those who I work with and to bring new techniques to the forefront. I am striving to further my knowledge on human behaviour and successfully apply this to my patients.

What Are Your Main Weaknesses?

The one weakness that I found that I have over the last few years is my lack of IT skills. Unfortunately, I did not see this as important when I first began my journey in my career. I, therefore, began two online courses in the field of IT and as such drastically improved my skills.
