learning for easy sharing Spectacular Things Happen Along the Way Brian D. Schultz, 2018-10-12 This celebrated narrative captured the attention of educators and the media by depicting the journey of one teacher and his students juxtaposed against the entrenched bureaucracy of Chicago's public education system This second edition examines how school reform continues to fail students in urban contexts and offers compelling updates on students **How a City Learned to Improve Its Schools** Anthony S. Bryk, Sharon Greenberg, Albert Bertani, Penny Sebring, Steven E. Tozer, Timothy Knowles, 2023-04-18 A comprehensive analysis of the astonishing changes that elevated the Chicago public school system from one of the worst in the nation to one of the most improved *How a City Learned to Improve Its Schools* tells the story of the extraordinary thirty year school reform effort that changed the landscape of public education in Chicago Acclaimed educational researcher Anthony S Bryk joins five coauthors directly involved in Chicago's education reform efforts Sharon Greenberg Albert Bertani Penny Sebring Steven E Tozer and Timothy Knowles to illuminate the many factors that led to this transformation of the Chicago Public Schools Beginning in 1987 Bryk and colleagues lay out the civic context for reform outlining the systemic challenges such as segregation institutional racism and income and resource disparities that reformers grappled with as well as the social conflicts they faced Next they describe how fundamental changes occurred at every level of schooling enhancing classroom instruction organizing more engaged and effective local school communities strengthening the preparation recruitment and support of teachers and school leaders and sustaining an ambitious evidence based campaign to keep the public informed on the progress of key reform initiatives and the challenges still ahead The power of this capacity building is validated by unprecedented increases in benchmarks such as graduation rates and college matriculation This riveting account introduces key actors within the schools city government and business community and the partnerships they forged It also reveals the surprising yet essential role of Chicago's innovative information infrastructure in aligning disparate initiatives In making clear how elements such as advocacy civic capacity improvement research and strong democracy contributed to large scale progress in the system's 600 plus schools the book highlights the greater lessons that the Chicago story offers for system improvement overall **The Just Practice Framework in Action** Janet L. Finn, 2021-07-15 *The Just Practice Framework in Action* Contemporary Case Studies presents a collection of essays illustrating the application of the Just Practice framework in diverse contexts of social work practice It is designed to serve as a companion reader to *Just Practice A Social Justice Approach to Social Work* Finn 2020 and as a stand alone text The Just Practice framework provides a model for the integration of social justice into social work from the most intimate spaces of individual clinical practice to macro level policy analysis advocacy and community building The contributors to this volume show how they have brought the Just Practice framework to bear to inform and transform their practice as clinicians researchers advocates organizers educators and program directors Their stories bring the framework to life illustrating its potential for transformative social work practice Their accounts offer grounded insights into challenges and possibilities of

social justice oriented social work that both strengthen and inform the Just Practice framework **Constructing Educational Achievement** Sivan Phillipson, Kelly Ku, Shane Phillipson, 2014-06-03 International interest focuses on why pupils from East Asia tend to outperform pupils from the West and scholars have proposed a number of possible explanations to account for these international trends Using Vygotsky's theory 1978 as a conceptual framework to construct school achievement this book puts forward culturally relevant context for understanding developmental aspects of children's school achievement and their implication to classroom practice and education progress Converging the two important lines of inquiry the child factor and the sociocultural factor this book showcases evidence based scholarly works from across the globe that shed light on causes of academic achievement in different contexts The book brings together eminent scholars from early childhood primary education secondary and vocational education who expertly capture the vitality of development and processes of specific child factors and their interaction with their environment that explain their school achievement Foregrounded in the five planes of cultural historical institutional social personal and mental the research explain how children think learn and form the will to perform amidst the changing social and family environment and challenging school and educational environment
