Salvation Joshua Jared Scott, 2014-11-11 SEQUEL to *Conflict Surviving the Zombie Apocalypse* and the conclusion to Jacob Thornton's story of survival When the change struck a quarter of the world's population simultaneously and without warning perished Seven minutes later the corpses reanimated and promptly began to attack the living At zero hour well over one billion zombies walked the Earth A day later more than half the world's population had turned Escaping the city Jacob Thornton and a group of survivors began work on a settlement deep in the wilderness where they hoped to rebuild their shattered lives Isolated and far from the chaos it seemed they were indeed safe that is until the raiders appeared Forced to flee Jacob led his people north to the Black Hills They built fortifications gathered supplies and waited for the inevitable It did not come Time passed Homes were constructed crops planted and contact made with others around the globe So few remained but efforts were underway to rid the world of zombies There was a very real chance civilization would bloom once more Then the enemy returned determined to complete the genocide they began two years earlier

The Bible and Popular Culture Ole Jakob Løland, Anders Martinsen, 2025-07-08 This book is an accessible overview of the Bible's complex and evolving reception in popular culture Drawing on biblical interpretations in TV film and music it demonstrates the

enduring diversity of the Bible's reception history. Ranging from Genesis and Exodus of the Hebrew Bible to the Gospels and Revelation of the New Testament, its biblical chronology takes a book-by-book format that locates and examines various examples of how these texts have been read, received, and interpreted. Case studies include *The Handmaid's Tale*, *Exodus*, *Gods and Kings*, *The Da Vinci Code*, and *Family Guy*. Woven within these chapters is fresh analysis of how themes of parody, satire, sex, and conspiracy appear in these biblical interpretations. This book is an engaging resource for students encountering biblical reception history in popular culture for the first time, and it will also be of wider interest to those intrigued by the interplay between religion, culture, and media.
