Testament-OE-Psalms and Proverbs Bridge Logos Publishers, 2007-05 [Borrowing from the Future](#) Ann Morisy, 2011-07-28 *A Ricoeurian Analysis of Identity Formation in Philippians* Scott Ying Lam Yip, 2023-06-01 Winner of the Outstanding Theological Research Book Award 2024 Scott Ying Lam Yip presents the first specialized narrative study devoted to the identity formation processes in Philippians based on Paul Ricoeur's narrative theory Yip demonstrates that the Christian identity of the Philippian community is shaped amidst competing narratives with divergent comprehensions and suggests that it is within an intra Jewish contestation of testimonies that Paul updates his understanding of God and contends with a group of Jewish Christian leaders regarding the meaning of his suffering Yip argues that Paul faces a double contestation of narrative in which both the political authorities and a group of Jewish Christian leaders see his imprisonment as futile and unnecessary alerting him to an emerging crisis in which the Philippian community's conviction in suffering with him has begun to decline It is thus essential for Paul to synthesise and install a new paradigmatic story of Christ so that his suffering can be discerned as the defining mark of God's renewed manifestation in an era of Christ's eschatological Lordship Yip explores the means by which Paul in a contestation of authority for the re appropriation of God's past work contrasts the future oriented temporality of his testimony with the past oriented one of the Jewish Christian leaders He concludes that Paul affirms the value of his present suffering in truthfulness and installs his testimony to be the exemplary story for the Philippian community **Bible Exposition Commentary** Warren W. The Faithfulness of God Nicole Wood, 2015-08-14 The Faithfulness of God aims to give the reader a deeper biblical understanding of this attribute of Father God and at the same time encourage and comfort anyone who might feel disillusioned or overwhelmed by life The author provides simple practical points and biblical guidance on the topic to inspire the hearts of believers and to guide them in applying this knowledge to their daily Christian walk and ultimately to grow in their relationship with God For anyone who loves God but feels that their own faith is not strong enough The Faithfulness of God will help them realize and understand that God wants to show His very character of love and faithfulness to them in a very personal manner If you love Jesus but you have a longing to get to know Him even more and to understand His plans for you this book will unveil the heart of the Father to you and will help you learn to place all your trust in Him as He shows you the extent of His great faithfulness **Ten Men of the Bible** Max Lucado, 2015-07-14 The men depicted in the Bible were not perfect by any means We find story after story marked by scandal failure and intrigue Yet we also find many stories of men who were able to look beyond their circumstances completely trust in the Lord and follow Him wherever He chose to them Like us these men made both good and bad decisions along the way and experienced both good and bad consequences and we find our struggles and hopes in the pages of the Bible that tells their stories In this 10 session workbook Max Lucado tells some of his favorite stories of these men in the Bible Stories include Noah When You're Low on Hope Job The Most

Famous Conversation in the Bible Jacob Wrestling with the Past Moses The Voice from the Mop Bucket David Colossal Collapses Joseph Unanswered Questions Matthew Friend of Flops Peter The Gospel of the Second Chance Lazarus The Final Witness Paul Don't Write Off Anyone Each session includes five insights on each character and Bible study questions to help you delve into the stories and apply them to your life Bible Knowledge Commentary, 1983 The Bible Knowledge Commentary from Dallas Seminary will be welcomed by a wide spectrum of Bible students from the beginner who will find it easy to understand and easy to use to the advanced who will find it consistently thorough and reliable **If a Tree Falls** Junietta Baker McCall, 2022-10-10 Some of us are in the habit of thinking about what we know what we have experienced and are experiencing and what we would like to focus on more deeply While this habit is evidenced in differing ways it is clearly a process that seems to form part of the essence of who human beings are And there is plenty to think about every day Furthermore this habit of thinking about life has resulting in many interesting inventions movements and even inspiration about life This is important For when we are limited in our ability to engage in self reflection we stand a chance of becoming unbalanced For it is possible to have what might be called a poverty in thinking and making sense of those thoughts feelings and beliefs While it is also possible to think so much that one is stuck and in a ruminating rut that can cause disorders of the mind heart and soul While it is not usually good to have a sparsity of thoughts and experiences it is also not usually good to be overwhelmed by them What is good is to have an appropriate abundance of wonderment that leads to stimulation of person and community And so here we are at the beginning of a book consisting of many pages containing thoughts about what the author and others know what she and others have experienced and some things many would like to focus on more deeply And this time the material will be presented in a format similar to the previous publication One Lesson at a Time 1 as a model for structured journaling including content for contemplation and hopefully rich sources for reframing memory and furthering inspiration that leads to growth and development on the reader's personal and perhaps communal levels
