

NJASK Science

The 2015 Science tests consist of multiple-choice and constructed-response items. The Science tests, applicable to grades 4 and 8 only, were administered during a single day.

The Science test measures fourth and eighth grade students' ability to recall information and to solve problems by applying science concepts. The Science test assesses knowledge and application skills in three clusters; each cluster contains multiple-choice items and constructed-response items. The NJ CCCS numbers corresponding to the three clusters are indicated in parentheses.
