

Anatomy of a Wave Worksheet **Answers**

Objective: Identify the parts of a wave and draw your own diagrams of waves.

Background: Many types of waves exist, including electromagnetic waves and mechanical waves. Waves move in different ways and have different properties.

Part 1

In the diagram below, identify the parts of a wave by using the provided definitions.

- # 5 = crest The highest point of the wave above the line of origin.
- # 2 = trough The lowest point of the wave below the line of origin.
- # 1 = line of origin Signifies the original position of the medium.
- # 3 = wavelength The distance between two consecutive crests.
- # 4 = amplitude The distance from the line of origin to a crest or trough of a wave.

Part 2

On separate sheets of graph paper, draw four different waves with the following measurements. Label the parts and include the measurements.

wave #	crest	trough	wavelength
1	1 cm	1 cm	2 cm
2	3.5 cm	3.5 cm	2.5 cm
3	.5 cm	.5 cm	3 cm
4	2 cm	2cm	.5 cm

Concluding question: State which wave you think has the *highest frequency* and which might have the *lowest frequency*. Explain the reasons for your selections.

#4 has the highest frequency because it has the shortest wavelength, and frequency is inversely proportional to wavelength.

#3 has the lowest frequency because it has the longest wavelength, and frequency is inversely proportional to wavelength.

No Reinforcement Wave Behavior Answers

Ian Pickup

No Reinforcement Wave Behavior Answers:

This is likewise one of the factors by obtaining the soft documents of this **No Reinforcement Wave Behavior Answers** by online. You might not require more mature to spend to go to the books introduction as capably as search for them. In some cases, you likewise do not discover the declaration No Reinforcement Wave Behavior Answers that you are looking for. It will totally squander the time.

However below, similar to you visit this web page, it will be fittingly entirely easy to get as with ease as download lead No Reinforcement Wave Behavior Answers

It will not agree to many era as we accustom before. You can reach it while feign something else at house and even in your workplace. therefore easy! So, are you question? Just exercise just what we provide under as skillfully as evaluation **No Reinforcement Wave Behavior Answers** what you subsequently to read!
