**There's No Turning Back** Alba De Céspedes, 2025-02-11 Discover the astonishingly powerful debut novel by the beloved feminist author of the brilliant *The Wall Street Journal* Forbidden Notebook and the courageous *The Washington Post* Her Side of the Story that was so subversive it was banned by the Italian Fascist regime when it was first published in 1938. A coming-of-age novel that is as relevant today as it was nearly ninety years ago, *There's No Turning Back* centers on eight women with radically different backgrounds who attend the same college in Rome. Some are there to study, others to escape a scandal or keep a secret, and during their time there they experience the challenges of love, work, and emancipation. Considered experimental and revolutionary at the time, this novel established Alba de Céspedes as a powerful new voice in the 20th century. Translated by Ann Goldstein, *There's No Turning Back* demonstrates why de Céspedes deserves an important place in the canon of women's literature. Chicago Review of Books
