

The background of the image is a dramatic landscape. The sky is filled with heavy, textured clouds, illuminated from below by a low sun, creating a warm, orange and yellow glow. Below the sky, the silhouettes of rolling mountains and hills are visible against the lighter sky. The overall mood is contemplative and somewhat somber.

Before you know it, if you're not careful,
you can get to feeling sorry for everybody
and there's nobody left to hate.

Nobody Left To Hate:

Nobody Left to Hate Elliot Aronson, 2001-07 Aronson a social psychologist offers concise practical and easy to apply strategies for creating a more supportive stimulating and compassionate environment in our schools *Nobody Left to Hate* Elliot Aronson, 2001-07-01 Aronson brings to bear the power of social psychology to help us understand why a negative school environment can push vulnerable kids over the edge James Garbarino PhD author of *Lost Boys* On April 20 1999 the halls of Columbine High School in Littleton Colorado reverberated with the sound of gunshots as two students highly armed and consumed with rage killed thirteen students and seriously injured twenty three before turning the guns on themselves It was the worst school massacre in our nation's history Can we prevent a tragedy like this from happening again In Elliot Aronson's *Nobody Left to Hate* one of our nation's leading social psychologists argues that the negative atmosphere in our schools the exclusion taunting humiliation and bullying played a major role in triggering the pathological behavior of the shooters At the very least such an atmosphere makes schools an unpleasant experience for most normal students But it doesn't have to be *Nobody Left to Hate* offers concise practical and easy to apply strategies for creating a more supportive stimulating and compassionate environment in our schools Based on decades of scientific research and classroom testing these strategies explain how students can be taught to control their own impulses how to respect others and how to resolve conflicts amicably In addition they show teachers how to structure classes to promote cooperation rather than competition without sacrificing academics On the contrary education is greatly enhanced For parents teachers or anyone concerned with what is happening in our schools *Nobody Left to Hate* provides a simple and effective plan of action that will make their children's school not only a safe place but a more humane place of learning **The Martyrs of Columbine J.**

Watson, 2003-05-02 On April 20 1999 Eric Harris and Dylan Klebold killed twelve fellow students and one teacher at Columbine High School in Littleton Colorado Two of the victims of the Columbine massacre Cassie Bernall and Rachel Scott reportedly were asked by the gunmen if they believed in God Both supposedly answered Yes and were killed Within days of their death Cassie and Rachel were being hailed as modern day martyrs and are seen by many American evangelicals as the sparks of a religious revival among teenagers Cassie and Rachel as innocents martyred for faith also became useful symbols for those seeking to advance a conservative political agenda and to lay the blame for Columbine at the feet of their liberal opponents According to police investigators however Cassie and Rachel may never have been asked by their killers about God They may have been simply victims of a senseless crime rather than martyrs to a cause *The Martyrs of Columbine* provides a careful examination of the available evidence and attempts to discover what really occurred Despite these questions the martyr stories continued to be told and the religious and political use of Cassie and Rachel continues The popular significance of the martyrs of Columbine persists and may even be growing How and why is this happening *The Martyrs of Columbine* is a groundbreaking investigation of what this tragedy has come and will come to mean in American

Berina, 2010-01-04 With the intolerable deterioration of our moral fabric bringing us to the point that right is wrong and wrong is right a dire necessity exists not only to curtail such regress but to set things on the proper course The heart which governs morality of human thought and action is summoned to act as the guide out of this rut and onto the path of righteousness and fair treatment of each other In the pursuit of truth and justice the Moral Code which is comprised of the Last Six Commandments the Friend Rule the Golden Rule and the Spare the Rod Spoil the Child Rule is therefore proposed as the just Rule of the Land This then is utilized as the foundation to achieving morally correct conclusions or courses of action to social problems issues or difficulties that we encounter especially in these morally trying times An important application of this concept is in our governance The good heart has guided us to an amazing conclusion that the ideal form of government is that which is based on the Moral Code the ideal Rule of the Land and Participative Democracy the ideal form of democracy which completely satisfies the requirements of the people by the people and for the people rather than the form of government based on the Legal Code a flawed and harmful code set and Representative Democracy a faulty dangerous and costly imitation of Participative Democracy We the people are therefore urged by this revelation to wake up from this detrimental governmental slumber and empower ourselves by declaring independence of the current system and by instituting the ideal form of government This land belongs to us and to no one else and its future rests solely on our participation in this overwhelming but absolutely necessary endeavor Wake Up Rise Up Participate
