Pizarro And The Conquest Of Peru:

The History of the Conquest of Peru William H. Prescott, 2000-11-01 Originally published in 1847 History of the Conquest of Peru a companion volume to William H Prescott s masterly History of the Conquest of Mexico continues his vivid chronicle of Spanish exploits in the New World The book s commanding vision of Pizarro s tumultuous overthrow of the Inca empire has secured its reputation as a classic in the literature of Latin American history History of the Conquest of Peru represents an author s triumph over his materials observed Donald G Darnell one of the historian s several biographers Prescott exploits to the fullest any opportunities for dramatic effects that history might provide him If there is one distinguishing feature of the Conquest of Peru it is the portrayal of the Spanish character that striking fusion of courage cruelty pride and gallows humor We seem to be overhearing dialogue and observing firsthand the interaction between the Spaniards as they struggle for control of an empire Although Peru lacks a noble protagonist it is still an immensely readable history The description of the Inca civilization particularly its wealth the precise explanation of the cause of the conflict between the conquerors and the depiction of the Spanish character these together with the careful research the sheer abundance of anecdotes and the exploitation of primary materials all contribute to the history s continuing popularity
