Placebo Steven James, 2013-11-22 Na de tragische dood van zijn vrouw en twee zoontjes heeft Jevin Banks zijn carrière als boevenkoning en illusionist aan de wilgen gehangen Nu ontmaskert hij oplichters en waarzeggers op televisie Voor een nieuwe show doet hij ondertussen undercover mee aan een omstreken neurologisch onderzoek naar mind to mind communicatie Wat hij niet beseft is dat hij daarmee verzeild raakt in een verreikende samenzwering waarbij een van de grootste farmaceutische bedrijven ter wereld betrokken is Banks zal al zijn trucs uit de kast moeten halen om de moord op een wel heel bekende persoon te voorkomen

The Placebo Effect David Rotenberg, 2012-02-07 A Touchstone thriller **PLACEBO.** LAWRENCE. DURRELL, 2018

The Placebo Club Jeff Moulder, 2011-02-08 **Placebo** Melvin White, 2022-05-04 The question everyone wants to know is what is a placebo Well as defined by most dictionaries or medical terminology books a placebo is and I quote a harmless pill medicine or procedure prescribed more for the psychological benefit to the patient than for any physiological effect or a substance containing no medication and prescribed or given to reinforce a patient's expectation to get well An inactive substance or preparation used as a control in an experiment or test to determine the effectiveness of a medicinal drug I however have a more abstract theory about the definition of the word placebo I correlate the word placebo to an illusion that can be adopted or accepted by one person or in this case several million people all around the world who believe that their drug addiction and dependency is somehow a lifelong stigma that they must live with or remain attached to until they are forced into an intervention or a drug rehabilitation program or for those who believe in a higher power that the person who is addicted to drugs should seek divine intervention to rescue them from the dependency they struggle with and all those preventative measures or all great alternative measures to combat the effects of drug dependency and can definitely enhance the possibility of an addicted person to find solace and healing from those aforementioned methods But let's just

think for a minute what if someone invented a pill that was proven to have a 100 percent effective rate of completely suppressing the desire to ever experiment with drugs I m sure most of you who may be struggling with addiction would probably rush toward the opportunity to become drug free in an instant However what if that same miracle drug that I so aptly named Placebo was exactly just that a pill that does absolutely nothing medically to curtail the effects or desire of an addicted person to get high What s left Well I m glad you asked the question The only thing left is that person s mind and their free will the willingness to no longer accept the illusion that their addiction is somehow insurmountable The first stage in healing is ultimately the complete rejection of the illusion itself which has been glamorized for years and has been supported financially and socially by society in order to keep the illusion alive The only way to eradicate this myth is to introduce you to the illusion and then leave for you the option to decide Is my addiction reality or an illusion The only way I will be able to differentiate between the two is to find the placebo within my mind and seek to change my circumstances and accept a different reality

Upgrade Steven James,2014-10-20 In Steven James tweede Jevin Banks thriller Upgrade komt de illusionist erachter dat de techniek veel verder is dan hij dacht Als een vriend van hem wordt vermoord en het politieonderzoek niets oplevert besluit Jevin Banks uit te zoeken wat er precies is gebeurd Al snel stuit hij op een geheim onderzoek naar het menselijke bewustzijn en een beweging die zich bezighoudt met transhumanisme Nog steeds vastbesloten de moordenaar van zijn vriend te vinden blijft hij graven Totdat hij een duister geheim ontdekt een geheim dat op een dag het leven van ieder wezen op aarde op zijn kop kan zetten Steven James werd bekend met zijn boeken over FBI agent Patrick Bowers Eerder schreef hij over Jevin Banks de thriller Placebo
