Whether you work for an international company seeking to leverage maximum financial value for your brand or whether you are looking for practical guidance on brand management itself, Kapferer's market leading book is the one you should be reading to develop the most robust and watertight approach for your company.

Lemon-Aid New Cars and Trucks 2011 Phil Edmonston, 2010-11-11 As U.S. and Canadian automakers and dealers face bankruptcy and Toyota battles unprecedented quality control problems, Lemon Aid guides the confused and anxious buyer through the economic meltdown unlike any other car and truck books on the market. Phil Edmonston, Canada's automotive Dr. Phil for more than 40 years, pulls no punches. In this all new guide he says Chrysler's days are numbered with the dubious help of Fiat. Electric cars and ethanol power are PR gimmicks. Diesel and natural gas are the future. Be wary of zombie vehicles. Jaguar, Land Rover, Saab and Volvo Mercedes Benz rich cars, poor quality. There's only one Saturn you should buy. Toyota enough apologies when you mess up.

CEO, Please Divorce Yu Wo, 2020-09-01 Despair could be seen in her deep eyes. There was a woman sitting on a wooden bench. Her facial features were extremely exquisite and her face was clean and beautiful, almost bewitching. Madam, don't wait. The Ran family won't be able to wait any longer. I think it's better if you decide earlier. Jin meant that by signing this agreement it would be able to immediately help you save the Ran family. The condition is to get a divorce and break off completely. Alright, I'll sign. It was as Lawyer Zhang had said she couldn't continue to pull and pull. She could wait, but the Ran family couldn't. Eight years, two years of secret love, three years of open love, two years of engagement, one year of marriage. What was the use of putting on an act now that this man had no intention of staying with him? Lawyer Zhang was somewhat stunned. Director Jin had given him one day to do this, but he didn't even have an hour to do it. She simply agreed to the divorce in such a straightforward manner. Without any hesitation she quickly picked up a pen and signed her name at the bottom of the document on the tea table.

Big Data Revolution Rob Thomas, Patrick McSharry, 2015-03-02 Exploit the power and potential of Big Data to revolutionize business outcomes. Big Data Revolution is a guide to improving performance, making better decisions and transforming business through the effective use of Big Data. In this collaborative work by an IBM Vice President of Big Data Products and an Oxford Research Fellow, this book presents inside stories that demonstrate the power and potential of Big Data within the business realm. Readers are guided through tried and true methodologies for getting more out of data and using it to the utmost advantage. This book describes the major trends emerging in the field, the pitfalls and triumphs being experienced and the many considerations surrounding Big Data, all while guiding readers toward better decision making from the perspective of a data scientist. Companies are generating data faster than ever before and managing that data has become a major challenge.

With the right strategy Big Data can be a powerful tool for creating effective business solutions but deep understanding is key when applying it to individual business needs Big Data Revolution provides the insight executives need to incorporate Big Data into a better business strategy improving outcomes with innovation and efficient use of technology Examine the major emerging patterns in Big Data Consider the debate surrounding the ethical use of data Recognize patterns and improve personal and organizational performance Make more informed decisions with quantifiable results In an information society it is becoming increasingly important to make sense of data in an economically viable way It can drive new revenue streams and give companies a competitive advantage providing a way forward for businesses navigating an increasingly complex marketplace Big Data Revolution provides expert insight on the tool that can revolutionize industries **CEO's Unexpected Twins** Ling XiKeDou,2020-07-13 A lost necklace had drawn her into a dispute with a rich family Her loved ones plots and her loved ones betrayal had forced her into dire straits time and time again Even one of the twins she gave birth to was taken away Five years later she would return with Little Treasure She was determined to take back the treasure and ascend to the peak of her life *The SME Business Guide to Fraud Risk Management* Robert James Chapman,2022-04-27 All organisations are affected by fraud but disproportionately so for SMEs given their size and vulnerability Some small businesses that have failed to manage business fraud effectively have not only suffered financially but also have not survived This book provides a guide for SMEs to understand the current sources of business fraud risk and the specific risk response actions that can be taken to limit exposure through the structured discipline of enterprise risk management The book provides A single source reference a description of all of the common fraud types SMEs are facing in one location An overview of enterprise risk management a tool to tackle fraud as recommended by the Metropolitan Police Service and many other government sponsored organisations Illustrations of fraud events diagrams figures where appropriate of how frauds are carried out Case studies case studies of the fraud types described to bring the subject to life and illustrate fraud events and their perpetrators enabling readers to be more knowledgeable about the threats Sources of support and information a description of the relationship between the government agencies and departments What to do specific actions to be implemented as opposed to just recommending the preparation of policies and processes that may just gather dust on a shelf The book gives SMEs a much better understanding of the risks they face and hence informs any discussion about the services required what should be addressed first in what order should remaining requirements be implemented and what will give the best value for money **The Beasts, Beams, and Beauty of Abra, Philippines** Melchora A.
