Postcards From The Past:

Postcards from the Past Marcia Willett, 2015-04-14 Beloved novelist Marcia Willett continues to captivate readers with her inspiring novels about family friendship and love In *Postcards from the Past* Siblings Billa and Ed share their beautiful grand old childhood home in rural Cornwall With family and friends nearby and their living arrangements free and easy they seem as contented as they can be But when postcards start arriving from a sinister figure they thought belonged well and truly in their pasts old memories are stirred Why is he contacting them now And what has he been hiding all these years

Postcards from the Past Sam Oglesby, 2003-10-31 Cool beautiful intelligent and elegantly arrogant Dr Estelle Granger ran the hospital with an iron hand I was stunned one morning when she burst into my office lips trembling with rage and tears streaming from her bruised swollen eyes Near collapse she hoarsely implored me You Americans are the big shots now Can t you do something Everything is collapsing and nobody is in control I don t care about myself It s the patients It s Vietnam Her words troubled me as much as the incident itself And what she said was true Nobody was in control Meanwhile the Viet Cong and the NVA watched and waited Chapter 3 *Terres Rouges* *Postcards from the Past* takes the reader on a journey through time and many places from Southeast Asia to Europe to the streets of New York City These are all true stories although some identities and nationalities have been changed Some are humorous some poignant others are filled with intrigue and murder They are all fascinating tales which chronicle the lives of a diverse collection of people simple villagers in Java jaded royalty in Thailand a 60 year old maid in Manhattan and a host of other characters including a bunch of jailbirds

Postcards from the Past Fred Thirkell, Robert Scullion, 1996 City of Vancouver Heritage award winner 2003 *Postcards From The Past* provides a nostalgic and enlightening glimpse of Vancouver and surrounding environs during its first great decade of growth years now known as the Edwardian Era Authors Fred Thirkell and Bob Scullion have presented a collection of outstanding postcard images complemented by historical anecdotes and amusing asides Complete with maps showing the sites of the original photos this collection allows readers to gain a new perspective of a grand time and a magnificent place

American Dreamscapes: Postcards from the Past Pasquale De Marco, 2025-08-10 *American Dreamscapes* *Postcards from the Past* is a journey through the world of American postcards From the bustling streets of New York City to the serene landscapes of the American West postcards have documented the people places and events that have shaped our nation s history In this book we will explore the different types of postcards that were produced the people who created them and the stories that they tell Along the way we will learn about the social and cultural history of the United States and we will gain a new appreciation for the power of the postcard Postcards were first introduced in the United States in the late 1800s At first they were used primarily as a way to send short messages to friends and family However as the popularity of postcards grew they began to be used for a variety of purposes Businesses used postcards to advertise their products and services schools used postcards to promote their programs and organizations used postcards to raise funds The

golden age of postcards was the early 1900s During this time postcards were produced in vast quantities and they were sold everywhere from drug stores to department stores Postcards were also very affordable which made them accessible to people of all income levels As a result of their popularity postcards became a powerful force in American culture They helped to spread news and information they promoted tourism and they helped to create a sense of national identity Postcards also played a role in social and political movements For example postcards were used to promote the women s suffrage movement and the civil rights movement Today postcards are still produced and used although their popularity has declined somewhat in the digital age However postcards remain a valuable historical record of American life They offer a unique glimpse into the past and they can help us to understand the present American Dreamscapes Postcards from the Past is a celebration of the American postcard It is a book that will appeal to anyone interested in American history popular culture or photography If you like this book write a review Postcards from the Baja California Border Daniel D. Arreola,2021-10-05 Postcards from the Baja California Border uses popular historical imagery the vintage postcard to tell a compelling visually enriched geographical story about the border towns of Baja California **Postcards from the Trenches** Irene Guenther,2018-11-01 German art student Otto Schubert was 22 years old when he was drafted into the Great War As the conflict unfolded he painted a series of postcards that he sent to his sweetheart Irma During the battles of Ypres and Verdun Schubert filled dozens of military issued 4 x 6 cards with vivid images depicting the daily realities and tragedies of war Beautifully illustrated with full color reproductions of his exquisite postcards as well as his wartime sketches woodcuts and two lithograph portfolios Postcards from the Trenches is Schubert s war diary love journal and life story His powerful artworks illuminate and document in a visual language the truths of war Postcards from the Trenches offers the first full account of Otto Schubert soldier artist of the Great War rising art star in the 1920s prolific graphic artist and book illustrator one of the degenerate artists defamed by the Nazis and a man shattered by the Second World War and the Cold War Created in the midst of enormous devastation Schubert s haunting visual missives are as powerful and relevant today as they were a century ago His postcards are both a young man s token of love and longing and a soldier s testimony of the Great War **Auburn, New York, Postcards from the Past** ,2004 Postcards from the Río Bravo Border Daniel D. Arreola,2013-08-01 A history in postcards of Mexican tourist towns in the first half of the twentieth century with nearly two hundred illustrations Between 1900 and the late 1950s Mexican border towns came of age both as tourist destinations in some cases by luring Americans who wanted to escape Prohibition and as emerging cities Commercial photographers produced thousands of images of their streets plazas historic architecture and tourist attractions which were reproduced as photo postcards Daniel Arreola has amassed one of the largest collections of these border town postcards and in this book he uses this amazing visual archive to offer a new way of understanding how the border towns grew and transformed themselves in the first half of the twentieth century as well as how they were pictured to attract American tourists Postcards from the R o Bravo Border presents nearly

two hundred images of five towns on the lower Rio Bravo Matamoros Reynosa Nuevo Laredo Piedras Negras and Villa Acuña. Using multiple images of sites within each city Arreola tracks changes both within the cities as places and in the ways in which they've been pictured for tourist consumption. He also shows how postcard images when systematically and chronologically arranged can tell us a great deal about how Mexican border towns have been viewed over time. This innovative visual approach demonstrates that historical imagery no less than text or maps can be assembled to tell a fascinating geographical story. This is masterful cultural geography with rich visual materials delivered in a unique and compelling fashion. *Journal of Latin American Geography* **Postcards From Last Summer** Roz Bailey, 2013-10-15 Darcy Tara and Lindsay are the best of friends who reconnect every summer for a few weeks of catching up and living easy. The summertime is anything but boring for these three strong women who indulge in the best of what's in season: romance, excitement, and the time of their lives. *Vintage Postcards from the African World* Jessica B. Harris, 2020-05-15 For over forty years professor and culinary historian Jessica B. Harris has collected postcards depicting Africans and their descendants in the American diaspora. They are presented for the first time in this exquisite volume *Vintage Postcards from the African World*. In *The Dignity of Their Work and the Joy of Their Play* brings together more than 150 images providing a visual document of more than a century of work in agricultural and culinary pursuits and joy in entertainments, parades, and celebrations. Organized by geography (Africa, the Caribbean, and the United States) as well as by the types of scenes depicted (the farm, the garden, and the sea, the marketplace, the vendors, and the cooks, leisure, entertainments, and festivities), the images capture the dignity of the labors of everyday life and the pride of festive occasions. Superb and rare images demonstrate everything from how Africans and their descendants dressed to what tools they used to how their entertainments provided relief from toil. Three essays accompany the postcards: one of which details Harris's collection and the collecting process; a second presents suggestions on how to interpret the cards; a final essay gives brief information on the history of postcards and postcard dating and its increasing use and value to scholars. *Postcards from the Old Man and Other Correspondence from Clearwater, Minnesota* Cynthia Anne Frank Stupnik, 2009-05-01 After I graduated from high school I couldn't wait to escape from Clearwater. Even though I had a good family and many close friends, my tiny hometown made me feel stifled. Like Mark Twain's Huck Finn, I hopped on my raft to light out for the territory. *Postcards from Congo* Edmund Trueman, 2022-10-25 The Democratic Republic of Congo, the second largest country in Africa by area, has had a fractured and bloody history variously undone by decades of colonialism, civil war, corruption, and totalitarian rule. The country has played a crucial role in the economic growth of the Global North, but in doing so has suffered immensely. So many seminal advances in technology were possible only through the extraction of materials from Congo: from rubber to copper to uranium to coltan. In each case, the Congolese people paid a great price, exacerbated by the weight of colonial exploitation and dictatorial rule. In this comprehensive graphic history, author and illustrator Edmund Trueman explores the fractious story of Congo. Through

deft illustrations and storytelling Congo's history not widely known to Western readers comes vividly alive We see how Congolese musicians have spread their language across Africa by creating some of the most popular music on the continent and how Congolese women have spent decades sidestepping sexist legislation to become leaders in local business From resistance against colonialism to the fight for independence and the self-determination to make a life in an almost stateless place Postcards from Congo depicts how the Congolese people have resisted and survived in order to take control of their lives and the country they call home Includes a foreword by historian Didier Gondola Professor of African History at Johns Hopkins University This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines WCAG AA It is screen reader friendly and is accessible to persons with disabilities A book with many images which is defined with accessible structural markup This book contains various accessibility features such as alternative text for images table of contents page list landmark reading order and semantic structure

Postcards from the Chihuahua Border Daniel D. Arreola, 2019-10-29 Just a trolley ride from El Paso Ciudad Juárez was a popular destination in the early 1900s Enticing and exciting tourists descended on this and other Mexican border towns to browse curio shops dine and dance attend bullfights and perhaps escape Prohibition America In *Postcards from the Chihuahua Border* Daniel D. Arreola captures the exhilaration of places in time taking us back to Mexico's northern border towns of Ciudad Juárez Ojinaga and Palomas in the early twentieth century Drawing on more than three decades of archival work Arreola uses postcards and maps to unveil the history of these towns along west Texas's and New Mexico's southern borders Postcards offer a special kind of visual evidence Arreola's collection of imagery and commentary about them shows us singular places enriching our understandings of history and the history of change in Chihuahua No one postcard tells the entire story But image after image offers a collected view and insight into changing perceptions Arreola's geography of place looks both inward and outward We see what tourists see while at the same time gaining insight about what postcard photographers and postcard publishers wanted to be seen and perceived about these border communities *Postcards from the Chihuahua Border* is a colorful and dynamic visual history It invites the reader to time travel to revisit another era the first half of the last century when these border towns were framed and made popular through picture postcards

Postcards from the Sonora Border Daniel D. Arreola, 2017-02-21 Young men ride horses on a dusty main road through town Cars and gas stations gradually intrude on the land and years later curiosity shops and cantinas change the face of Mexican border towns south of Arizona Between 1900 and the late 1950s Mexican border towns came of age both as centers of commerce and as tourist destinations *Postcards from the Sonora Border* reveals how images in this case the iconic postcard shape the way we experience and think about place Making use of his personal collection of historic images Daniel D. Arreola captures the evolution of Sonoran border towns creating a sense of visual time travel for the reader Supported by maps and visual imagery the author shares the geographical and historical story of five unique border towns Agua Prieta Naco Nogales Sonoyta and San Luis Río

Colorado Postcards from the Sonora Border introduces us to these important towns and provides individual stories about each using the postcards as markers No one postcard view tells the complete story rather the sense of place emerges image by image as the author pulls readers through the collection as an assembled view Arreola reveals how often the same locations and landmarks of a town were photographed as postcard images generation after generation giving a long and dynamic view of the inhabitants through time Arranged chronologically Arreola's postcards allow us to discover the changing perceptions of place in the borderlands of Sonora Mexico

Postcards from Vermont Allen Freeman Davis, 2002 A vivid picture of four decades of social and cultural history in the Green Mountain State

Postcards from the Trenches Allyson Booth, 1996 She links for example the modernist representation of an unstable self to soldiers familiarity with corpses the modernist mistrust for fact to the competing nationalist discourses of August 1914 and the modernist description of buildings as having shaken off the past to a desire to forget the war Booth argues that the dislocations of war often figure centrally in modernist forms even when the war itself seems peripheral to modernist content

Postcards from the Edge Ian Coffey, 2015-07-17 In *Postcards from the Edge* Ian Coffey will help you learn from eight Bible characters about how God can meet you in the hardest moments of your life God often seems most distant when we are going through our hardest times And yet many people have found that it is exactly at the moments of their greatest struggle that they have met God most closely Through vivid retellings of the stories of eight biblical characters who met God at points of extremity in their lives Ian Coffey offers us inspirational ways of making the struggles we face an opportunity for growth By sharing both modern examples of people who have faced the same sorts of struggles and events in his own life he gives us practical help and hope in our hardest moments Esther and courage Jeremiah and inadequacy John and doubt Paul and fear Peter and imprisonment Ruth and loss Elijah and despair Mark and failure Full of rich reflection and thought provoking questions it will help us to discover the God who walks with his people through their darkest moments

Postcards from the Anthropocene. Benek Cincik, Tiago Torres-Campos, 2022-04-19 This book includes various responses to the geopolitical conditions of our tangent times through collections of visual materials and theoretical explorations with critical positionings The book expands on the Anthropocene theory by exploring its relations with the aesthetic concerns in contemporary representations through their geopolitical ramifications We conceptualize postcards as documentary space time snapshots which convey complex assemblages of dynamic non linear unpredictable ad hoc networks between interdependent and transcalar actors in deep time The postcards we assemble raise questions about the ethical and political challenges of the dominant modes of technoscientific knowledge production modes that are constituted through existing power relationships subject positions and differences and that perpetuate current inequalities They catalyse speculative and creative geopolitical imaginaries and collective subjectivities that recalibrate existing value systems and indicate alternatives

Postcards from the Ledge Greg Child, 2000-07-31 Peeling back the layers to reveal the gritty truth about the elite climbing world is Greg Child's specialty

With clever wit sharp observations and insightful reflections Postcards from the Ledge covers the full spectrum of the mountaineering experience Entertaining even to those who have never been above sea level Child s stories reveal climbing s other face **Postcards from the Front 1914-1919** Kate J. Cole,2016-05-15 Postcards from the Front 1914 1919 captures the essence of this medium in a unique and fascinating way bringing to life the pathos the trauma and the mud and the blood of Flanders and France as the embattled Tommies wrote home to their loved ones

Ignite the flame of optimism with is motivational masterpiece, Find Positivity in **Postcards From The Past** . In a downloadable PDF format (Download in PDF: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
