***The IPINIONS Journal*** Anthony Livingston Hall,2007-05 *The iPINIONS Journal Commentaries Vol II* In this volume of political and social commentaries

Anthony Livingston Hall synthesizes the most critical developments of 2006 with remarkable clarity and inimitable wit. But unlike more celebrated columnists who trade in partisan political talking points, Hall seems beholden to no ideology and is definitely an equal opportunity critic. Moreover, you would be hard pressed to find another columnist anywhere who writes as persuasively about the international menace of Iran's nuclear program as he does about the interpersonal dynamics of an NBA Championship series or what the latest oops from Britney Spears portends for western civilization. Hall's refreshing worldview may stem from the unique fusion of his Caribbean heritage and American education. But it is clearly the informed passion that permeates all of his commentaries that makes this book so riveting.
