Sales and Revenue Generation in Sport Business David J. Shonk, James F. Weiner, 2021-10-21 The ability to generate sources of revenue continues to be the most important skill for individuals working in the sport industry Sales and Revenue Generation in Sport Business With HKPropel Access provides a comprehensive overview of the many ways in which sport organizations generate

revenues and it teaches students the practical concepts they will need for success. Going beyond theoretical concepts of sales and sales management, the authors present an applied approach to revenue generation in sport: the PRO method of sales. PROspect PRObe PROvide PROpose PROtect. Students will learn how this proven five-step process for generating revenue is applicable across all avenues in sport business, including ticket sales, broadcasting, and media revenue, sponsorships, corporate giving, and foundation revenue, fundraising, and development grant writing, concessions, merchandising, and social media. The text covers how this sales strategy can be applied across the broad industry of sport, from professional sport and intercollegiate and interscholastic athletics to amateur sport and organizations in recreational settings, equipping students for meaningful careers with longer-lasting success within any segment of the sport industry they enter. Throughout the text, themed sidebars provide examples of industry best practices and successful sales strategies. Case studies in each chapter, plus discussion questions, enhance the learning experience. Plus, related online learning activities delivered through HKPropel offer practical interactive scenarios that will better prepare students to enter the sport industry. Organized by function of revenue generation, each section offers a video, an interactive scenario activity that can be assigned by instructors, and sales script templates that may be downloaded and edited for a specific application. *Sales and Revenue Generation in Sport Business* is designed to give students the practical knowledge they need to understand the sales process and how to successfully apply the PRO method of sales. Armed with this foundational knowledge, they will be better prepared to begin and succeed in a career in sport business. Note: A code for accessing HKPropel is not included with this ebook but may be purchased separately. *The Entertainment Indust...* Stuart Moss, *Essentials of Sports Law* Glenn M. Wong, 2010-08-18. In this thoroughly revised Fourth Edition, Glenn Wong provides a comprehensive review of the various sports law issues facing professional, intercollegiate, Olympic, high school, youth, and adult recreational sports. Major topics include tort liability, contracts, waivers, antitrust law, labor law, constitutional law, gender discrimination, drug testing, intellectual property law, broadcasting laws pertaining to sports agents, business and employment law, Internet gambling, and athletes with disabilities. Significant additions here include new court decisions, agreements, contracts, and collective bargaining agreements and legislation, federal, state, association, and institutional rules and regulations. Discussions of legal concepts are supplemented with summaries and excerpts from hundreds of actual sports cases. Wong cites a variety of books, law review articles, newspaper articles, and Web links for those requiring further information on particular topics. This text, professional guide, serves as an invaluable resource to those involved or studying to become involved in the vast industry of sports.

Strategic Sport Communication W. Timothy Coombs, Jennifer L. Harker, 2021-09-15. Authors Coombs and Harker provide step-by-step guidance on how the strategic communication process, an integration of marketing, communication, public relations and advertising, can be applied to sports communication for individual athletes, teams and leagues. The book is founded on the premise that the strategic communication process in sport communication is grounded in understanding the fans and sources of revenue. Looking at sports globally, it offers readers the traditional multi-step linear approach to strategic communication, message development, along with the transmedia narrative transportation method, a non-linear approach that centers on narratives to engage target audiences and urge them to contribute their own material to messaging. With case studies and practical examples, it also highlights additional issues such as race and gender, social media ethics and athlete health. It is an ideal text for undergraduate and graduate courses in public relations or strategic communication and sport communication. An online instructor's manual accompanies the text, including lecture slides, a sample strategic sports communication plan, a test bank, links to key web sites that discuss sports and sports communication concerns, links to case studies with class discussion prompts, sample assignments, a sample course syllabus and suggestions for further reading.
