Teaching Online Susan Ko, Steve Rossen, 2017-02-24 *Teaching Online A Practical Guide* is an accessible introductory and comprehensive guide for anyone who teaches online The fourth edition of this bestselling resource has been fully revised maintains its reader friendly tone and offers exceptional practical advice new teaching examples faculty interviews and an updated resource section New to this edition entire new chapter on MOOCs massive open online courses expanded information on teaching with mobile devices using open educational resources and learning analytics additional interviews with faculty case studies and examples spotlight on new tools and categories of tools especially multimedia Focusing on the hows and whys of implementation rather than theory the fourth edition of *Teaching Online* is a must have resource for anyone teaching online or thinking about teaching online **The Writing Revolution** Judith C. Hochman, Natalie Wexler, 2017-08-07 Why you need a writing revolution in your classroom and how to lead it *The Writing Revolution* TWR provides a clear method of instruction that you can use no matter what subject or grade level you teach The model also known as The Hochman Method has demonstrated over and over that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback Insurmountable as the challenges faced by many students may seem *The Writing Revolution* can make a dramatic difference And the method does more than improve writing skills It also helps Boost reading comprehension Improve organizational and study skills Enhance

speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing There s no separate writing block and no separate writing curriculum Instead teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction But perhaps what s most revolutionary about the TWR method is that it takes the mystery out of learning to write well It breaks the writing process down into manageable chunks and then has students practice the chunks they need repeatedly while also learning content
