Grady,2000-08-16 The letters that can make a difference in the principalship often are the letters that principals have no time to prepare Often must write negative letters consume the principal s letter writing energies This collection of letters is primarily focused on the letters that principals have no time to prepare Clearly principals know how to write letters They simply have incredible time constraints The letters in this manual are not a substitute for the personalized letters that principals will craft This collection is merely a starter kit The timesaving templates are easy to personalize and customize with the CD that provides a powerful and effective tool ready at the click of the computer mouse **Discover God's Word** David C Cook,2018-05-04 These lessons help young children explore the world God made and thank him for his care talk about who Jesus is and how to be his helper and learn to pray to God A 52 Week Bible Journey Just for Kids Route 52 is a Bible based journey that will take kids through the Bible every year for ages 3 4 Every lesson features Scripturally sound themes Culturally relevant hands on activities Age appropriate Bible learning challenges Reproducible life application activity pages Route 52 Bible lessons will help kids learn the Bible and how to apply it to their lives at their own level of spiritual development These reproducible Bible lessons are appropriate for Bible school children s church youth group kids club and midweek Bible study programs Discover Your Divine Purpose Margaret Mutandwa,2017-09-22 A divine pathway recoups the neglected youths suffering from broken hearts the victimized parents and all those who are vulnerable to abuse despite their age Ironically without judging everybody is biblically guiltless Regrettably conspiracy and disorderly pressure from community is tarnishing lives of the young generation Some children are victims of decisions made by parents and it has affected their lives though with some it is by own choice and peer pressure from bully friends The devil is also gravely flirting with teenagers corrupting their mindset through social media especially internet Teenage pregnancy drugs magazines and bullying the innocent is the devils work because teenagers of today are the witnesses of coming of Christ Knife and gun gangs are roaming the world streets at an unprecedented rate and fear of muggers is tormenting and crippling the society 24 7 Some single parents blame their status because of the behaviour of their children Some couples are also failing to control their teenage children As a result the Victorian times of high opinion of elders is now regarded as a thing of the ancient Parents are neglecting their children because of parenting ineffectiveness and at times out of fear Presumably lacking of common ground with teenage children is a grey area impediment As a parent I urge all parents by the love of Christ to amalgamate and save the young generation

from the spineless world for today is their tomorrow Truthfully only the incorruptible Spirit of God can regenerate the bruised inner being of the deprived teenagers that is if their passion is Christ like The same Spirit moulds parents to be real models to youths Every day is a learning curve No one is perfect and learning does not end Parents should not blame themselves or the children for bad behaviour though there is always a cause They should leave no stone unturned and find the root cause first
