KS2 SATs: a parents' guide

If your child will be sitting Y6 SATs, read on for the most up-to-date information for parents.

In the summer term of 2016, children in Y2 and Y6 were the first to take new SATs tests. The current SATs for English and maths reflect the updated national curriculum, and are more rigorous than previous years' tests. There is also a completely new SATs marking scheme and grading system which has replaced national curriculum levels.

What are SATs?

At the end of Y6, English schoolchildren sit national tests in Reading, Maths and Spelling, punctuation and grammar (SPAG). These tests are both set and marked

externally, and the results are used to measure the school's performance (for example, through reporting to Ofsted and published league tables). Your child's marks will be used in conjunction with teacher assessment to give a broader picture of their attainment.

KS2 reading

The reading test is a single paper with questions based on three passages of text. Your child will have an hour, including reading time, to complete the test. There will be a selection of question types, including:

- Ranking/ordering, for example, 'Number the events below to show the order in which they happen in the story'
- Find and copy, e.g. 'Find and copy a word that suggests what the weather is like in the story'
- Short constructed response, for example: 'What does the bear eat?'

How are SATs marked?

- Instead of national curriculum levels, children are given scaled scores and details of whether they've reached the expected standard ('NS' means that the expected standard was not achieved; 'AS' means it was).

- The scaled scores for the KS2 test range between 80 (the lowest possible scaled score) and 120 (the highest possible scaled score). The expected standard for each test is a scaled score of 100 or more.

SATs results are used to measure your child's school's performance
